Congregation of Christian Brothers

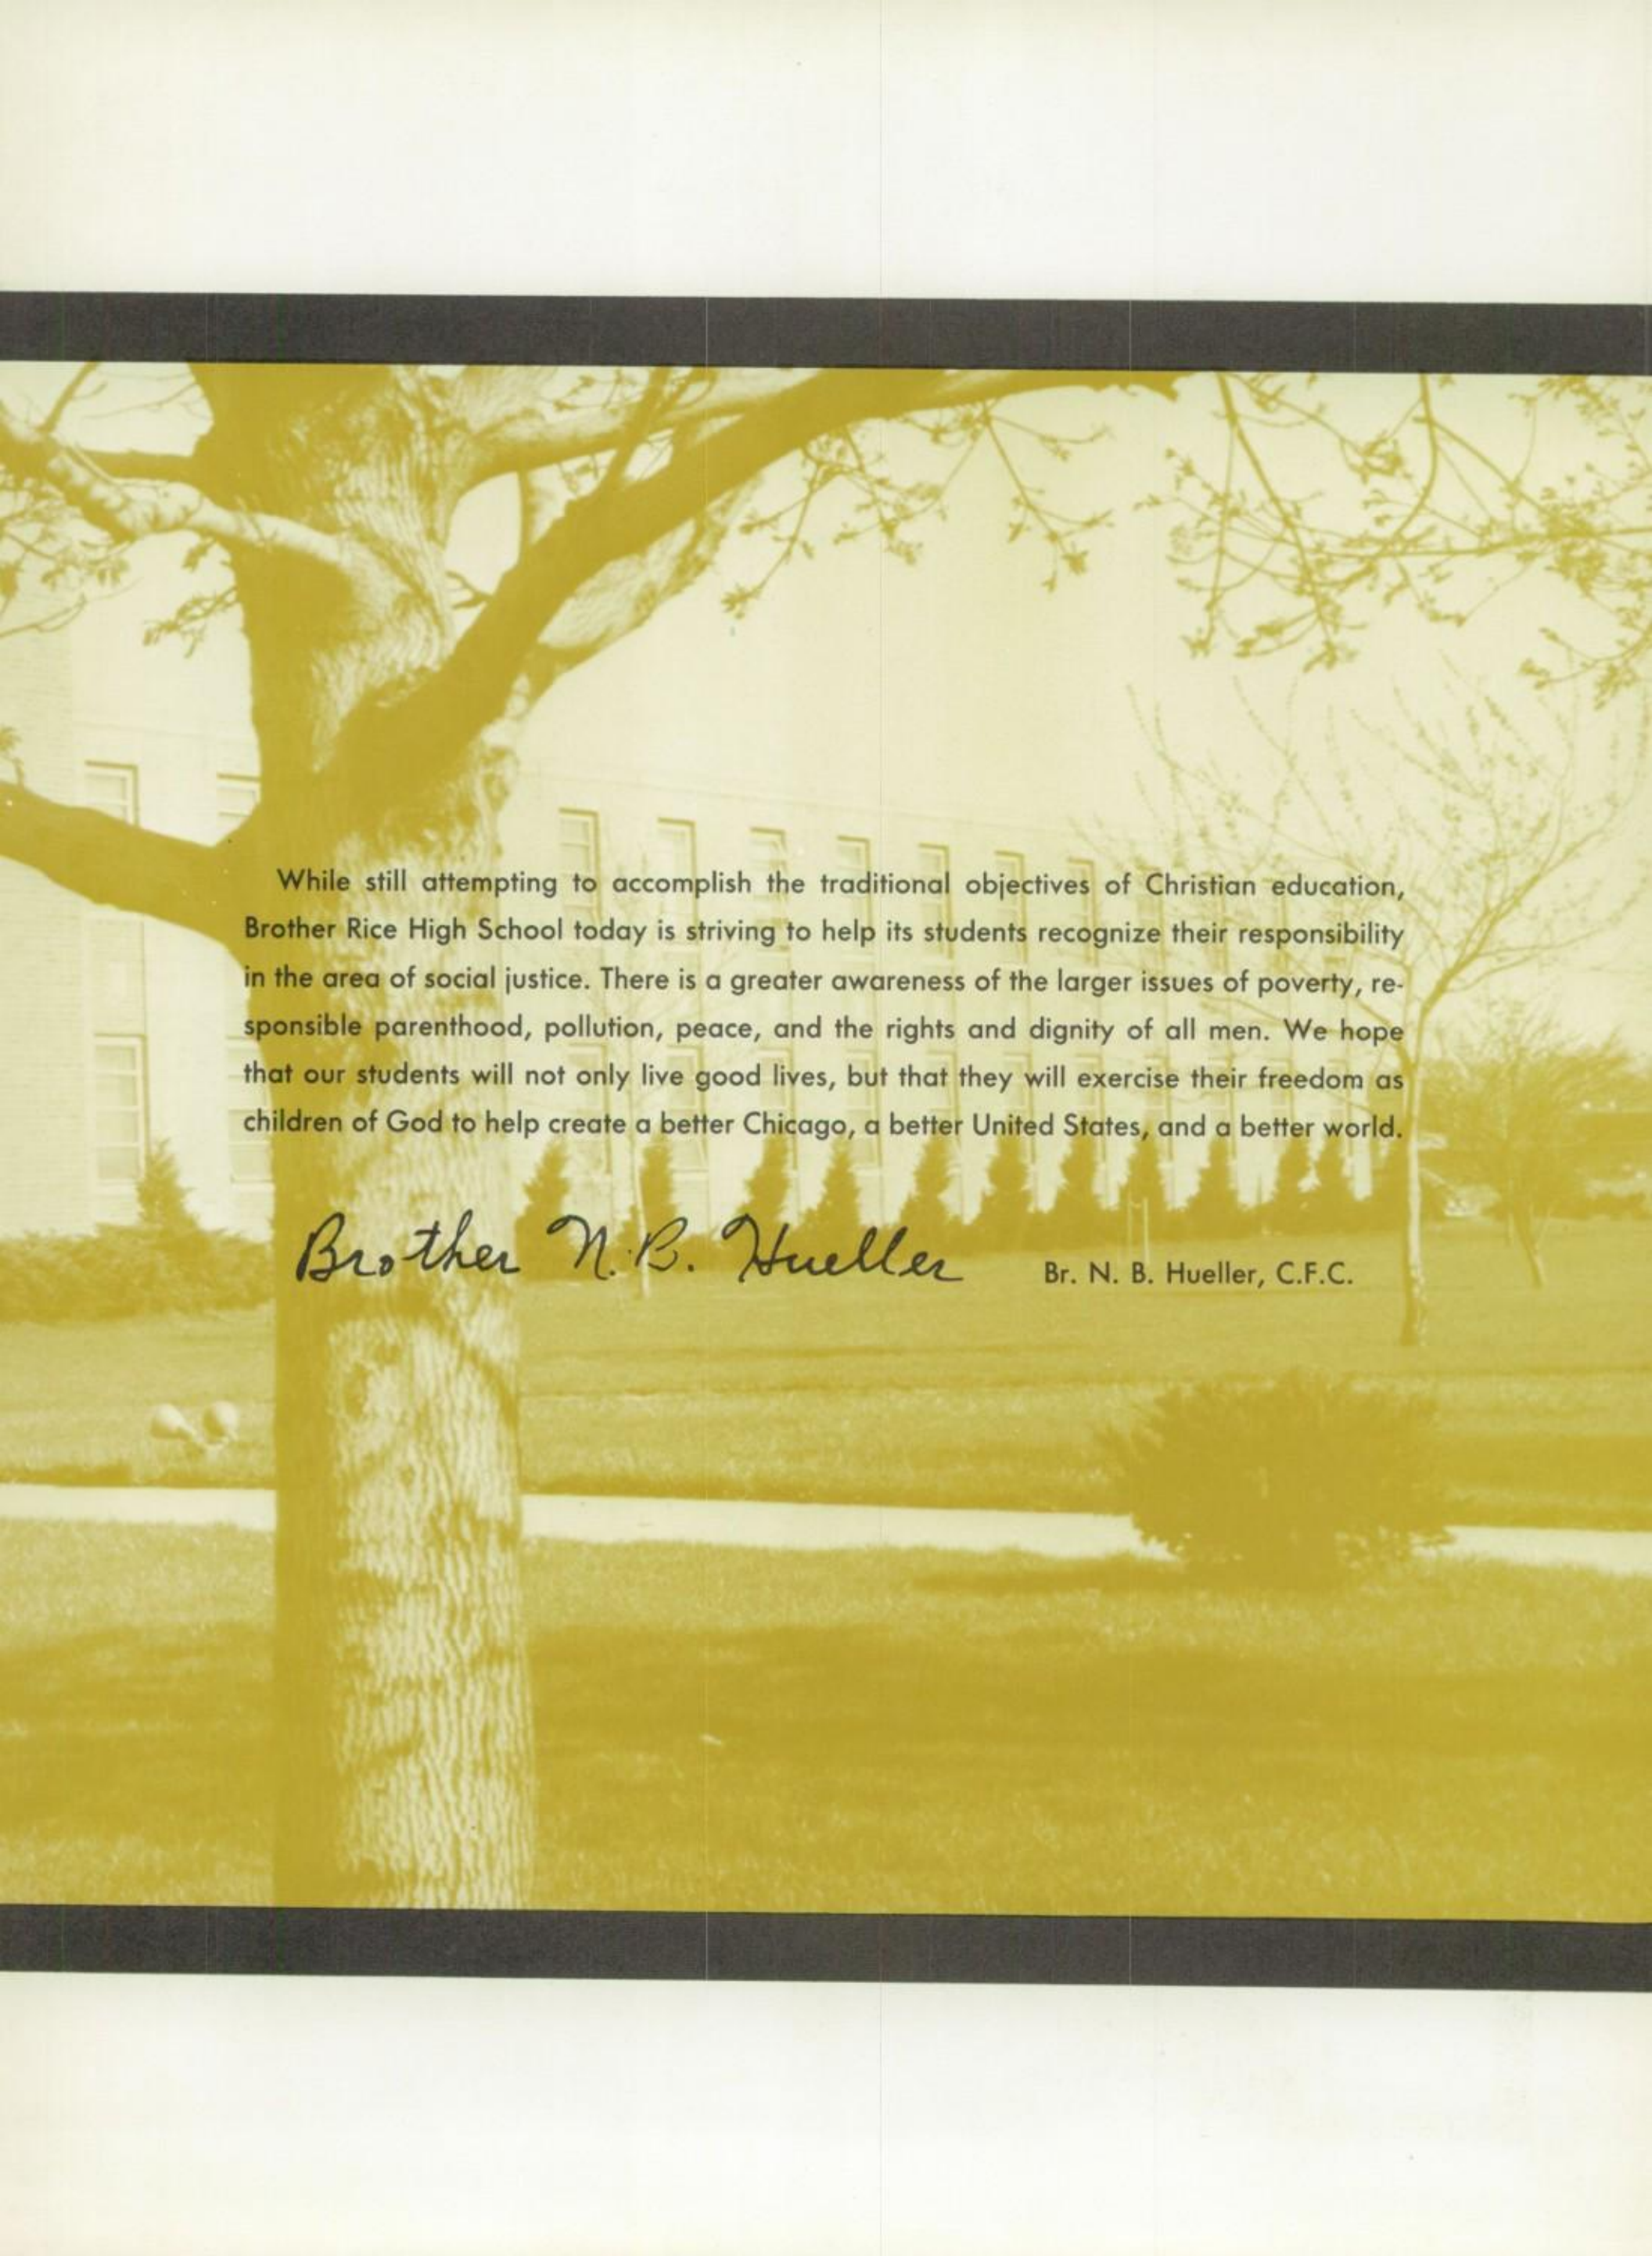

CRUSADER

Brother Rice High School opened its doors in 1956, one year before Sputnik. In those years of the late fifties, high schools were asked to emphasize science and the country was amazed that a backward country like Russia could surpass us in the important field of technology and science.

The sixties gave us Vatican II, which has profoundly affected the Christian community. For one thing, this momentous event has focused our attention on the importance of our freedom and responsibility. We can no longer be spectators of life, but are expected to actively work with, and for, God to create a Christian social order. There has been a rediscovery of the human and secular as the locus of God's presence. It is a "rediscovery" because finding God in the clothing of the human is what the Incarnation is all about.

While still attempting to accomplish the traditional objectives of Christian education, Brother Rice High School today is striving to help its students recognize their responsibility in the area of social justice. There is a greater awareness of the larger issues of poverty, responsible parenthood, pollution, peace, and the rights and dignity of all men. We hope that our students will not only live good lives, but that they will exercise their freedom as children of God to help create a better Chicago, a better United States, and a better world.

Student Council

The objective of the Student Council of 1971 was to supply a unifying force between the students and faculty.

With all changes brought about in the past few years such as revisions in the dress code and class selections, the Student Council was open to all suggestions by students hoping to better Brother Rice.

Above: OFFICERS. D. Murphy (President), T. Lynch (Treasurer), T. Dillon (Secretary), J. Adler (Vice-President).

Above: SENIOR REPRESENTATIVES. Kneeling: M. Davy, J. Brosnan, M. Flavin, D. Brown. Standing: D. Urbaniak, L. Brozek, M. McNicholas, M. McCormick.

Above: SENIOR REPRESENTATIVES. Kneeling: T. Barry, G. Carranza, J. Jarasek, R. McShane, F. Prestipino. Standing: T. O'Rourke, T. Chirillo, M. Panko, T. North, J. Derrico.

Above: PROM COMMITTEE. Left to Right: M. Flavin, G. Hurka, P. Casey, T. Chirillo, D. Murphy, R. Zogas.

The Student Council, with the help of Mr. Cummings, the moderator, undertook many new projects this year.

Grub Day, a day on which students were allowed to wear any type of clothing they wished, was one fund raising undertaking of the Student Council. Students paid 50¢ for the privilege of wearing grubby clothes.

Movies such as "Z," "Cool Hand Luke" and "Butch Cassidy and the Sundance Kid" were shown at a nominal cost to all those interested in seeing good flicks.

Coffeehouses for Seniors were organized by a Student Council committee headed by Tom Diggins and assisted by Tom Chirillo, Dan Murphy, Mike Davy and others. These coffeehouses, set up in the cafeteria, provided an opportunity for Seniors to meet with faculty members and girls from various schools. There was no admission fee and only a nominal fee was charged for refreshments. These coffeehouses proved to be very successful and we hope they will be continued next year.

Mr. Robinson

B.S.U.

The Black Students' Union is in its second year on the list of extracurricular activities at Rice. The purpose of this organization is to provide, for the black student, an environment which is conducive to learning and recreation. It makes the black student at Rice aware of his heritage. It also gives him a sense of pride in his background. Some of the functions of the Black Students' Union are a volunteer tutoring program — set up to aid the black student — and a Black Literature Discussion Group, which is open to everyone at Rice. The intention of the group is to get all the members involved in the writings of the black man in our society. One of the prerequisites of the Union is pride in being black. The students must feel a need to join. The moderator, Mr. Robinson, leaves it up to the black students to form the Union anew each year. He feels that if the students want it, they will have the initiative to establish the Union on their own.

The activity that puts the most time in practice perfecting its performance is the Band. Directed by Mr. Henning and moderated by Br. Coleman, the Band has performed before many varied audiences such as both of the Parents' Clubs, thousands of people lining the streets watching the Columbus Day and St. Patrick's Day Parades as well as fans at all our football games.

For the first time at Rice, Band has been offered as an accredited subject during the school day. This provides the time to teach band members much more about music thereby improving their playing skill.

Everybody is certain that the Band will continue its fine tradition in upcoming years.

This 1971 edition of CRUSADER, Rice's yearbook, represents countless hours of research and painstaking deskwork on the part of a dedicated staff.

Our task was eased by the elimination of a subscription drive through the inclusion of yearbook payments in the tuition, assuring delivery to each student (or brother combination).

Editor-In-Chief, Paul Haskins, with the invaluable assistance of Br. Chapman our moderator, supervised and coordinated the efforts of editors and staff in compiling the book. Each editor was responsible in completing his assigned section with Layout Editors Pete Beata and Jim Laurencig assuring consistent format throughout.

The special effects throughout the book (including the cover, endsheets, divider pages, and varied backgrounds) represent innovations (and, hopefully, improvements) in Rice yearbook designs, artistic innovations resulting from trial and error on the part of the editors having little or no experience in design.

Crusader

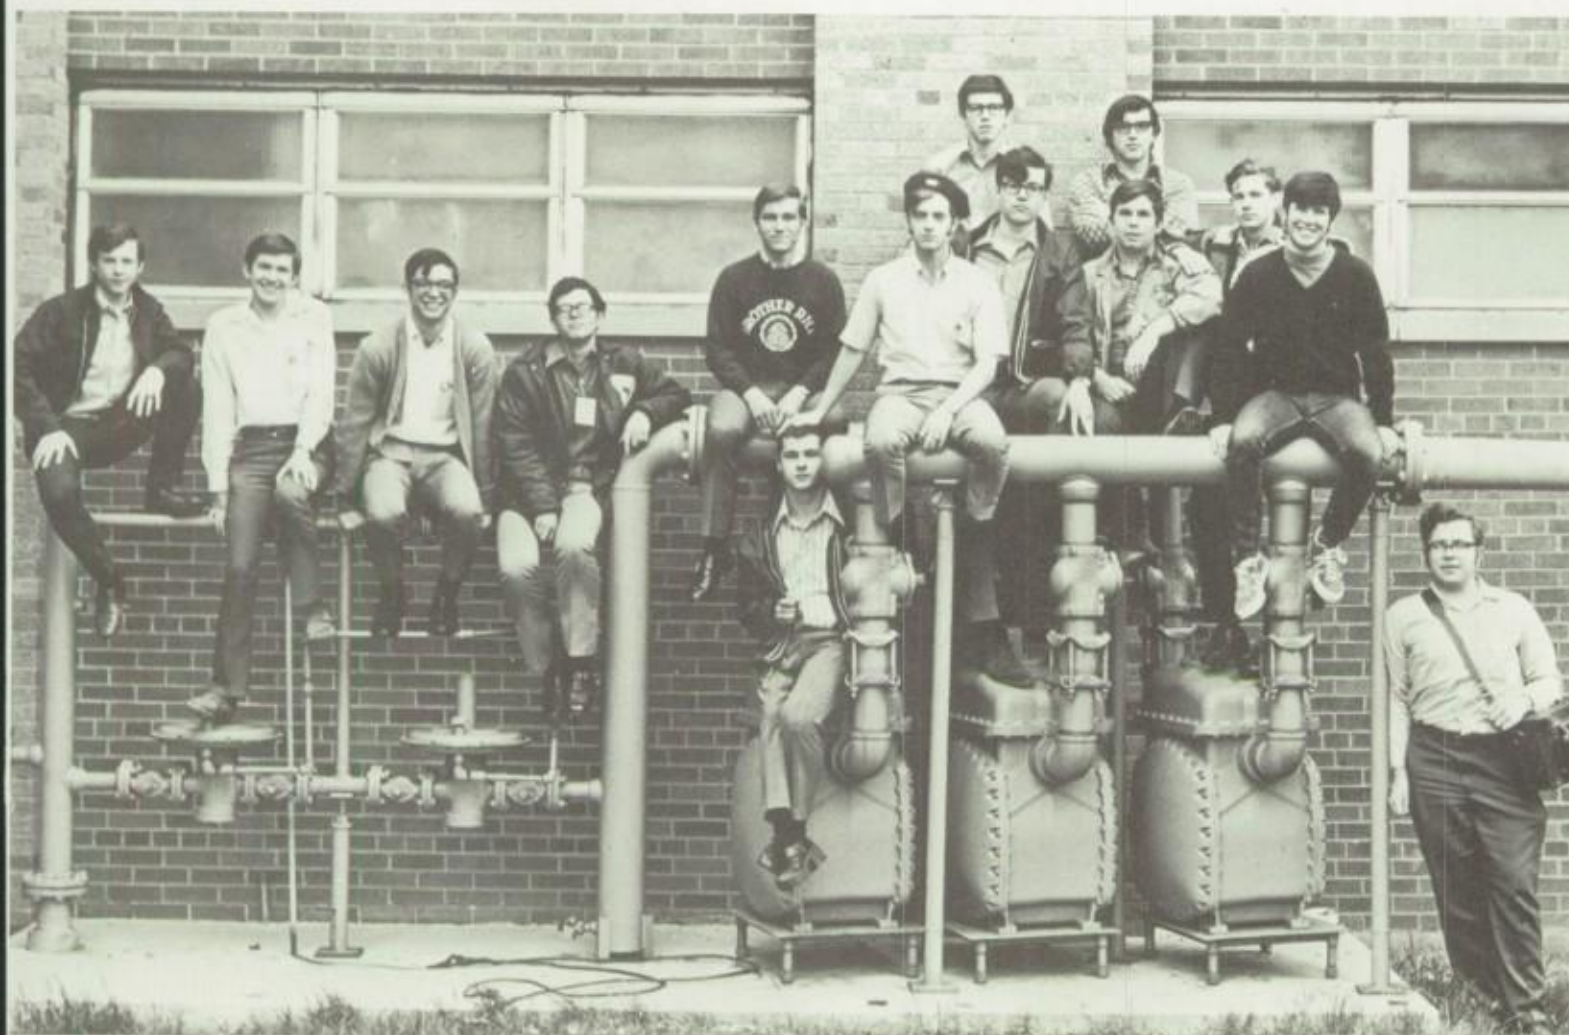

Special recognition should go to photographer Henry Scibor, who not only took many of the pictures appearing in the main body of the book, but also the special effect pictures, including those on the cover. You did a great job, Henry.

Rice Mourns Loss of Senior

Brother Rice students, faculty and administration express their deepest sympathy to the parents, friends and relatives of Don Furry Dun, a senior, died March 25 of gunshot wounds received three weeks ago near De Paul University.

Students who prayed and of fered blood are thanked for their thoughtfulness.

The School Mass, Friday in honor of Don was a better one. Dilated thoughts for their classmate. May eternal rest grant unto him.

LAYMEN OFFER GRANT

The Brother Rice Laymen's Association has announced plans to initiate a Scholarship Competition for the underclassmen at Rice in the coming years. The intention is to recognize a good student who shows consistent school spirit at Brother Rice.

The award would be a \$200.00 cash stipend to defray the expenses of the present Junior's Senior year at Rice. There are three basic eligibility requirements outlined by the Laymen's Association. The applicant must be a Brother Rice Junior, maintain at least a "C" average, and have the signature of any teacher at Rice on his application form.

Three criteria will be basic for consideration for the scholarship.

The student's overall score on Brother Rice in school, extracurricular work, and ability to factor determining the distinction and usefulness of school.

An application may be made from Mr. Nowicki or Mr. C. It is short and easily filled out. It is submitted to the Laymen's Association. The Laymen's Association will determine the ten best and later the entire body of Brother Rice Laymen's Association will vote to determine the winner. The award will be announced at and presented at the 19th anniversary exercises.

Mr. Nowicki and Mr. C. encourage any Junior to apply for the scholarship and to try for the award. No obligation is on you may underestimate which is not too far from the beginning of the year of the award.

WHO TOOK THE MOUNTAIN CLIMBER?

Ad Drive Nearing Goal

Now in its 9th week of operation, the Annual Brother Rice Ad Drive is steadily nearing its goal of \$25,000 with a current total of \$20,000.

The money received from this ten-week effort will help pay the \$15,000 bill for repairs to the gym roof, recently completed. In addition, the payments for installing heat in the foyer and various other repair work will be made possible. The remainder of the amount will establish a proposed school maintenance fund which will enable immediate payment for work done in and around the building.

Although economic problems are affecting the drive this year, "SPUD" is pretty good, says for man," says in. McGraw, drive moderator.

The freshmen class leads the other classes with approximately \$2,000 of their \$12,000 quota brought in. The Junior class is second with \$1,800 of their \$14,000 quota, and the seniors are third with \$1,000 of their \$14,000 quota. Last are the sophomores with \$600 brought in of their \$17,000 goal.

Prizes including portable TV's, portable electric typewriters, watches, clothing and radios will be given to those students who exceed their individual quotas. These prizes are: \$25, Junior \$30, sophomore and freshmen \$20 each. Any student who reaches his quota or is in a homeroom that has reached

its quota and has brought in a specified amount will receive a holiday. The chances now being sold in the second phase of the drive give the student an opportunity to earn \$1.25 per book, for each book can be sold for \$6.25, but only \$5.00 is required to be handed in.

The raffle will be held at the Annual Mother's Club Spring Fashion Show and Luncheon on Sunday, April 3, at the Lexington House in Hickory Hills. First prize is a color TV console, second and third prize, a choice of either a portable electric typewriter or a portable TV.

Course Of Course Changes

The beginning of the second semester saw the students in the first through third years having to choose their courses for the 1971-1972 school year. Each student is required to take Religion, English, and a Social Studies Course.

Next year's Sophomores have their biggest decision in the case of languages. They may choose a different one than they have in previous years. They will take Chemistry or Biology. Their level of Geometry course is determined by their present level, grade average, and capability determined by the teacher.

Next year's Seniors who will have Physics have the option between two laboratories scheduled different courses. One will be similar to the present and the other will be more difficult. Those Seniors already involved with Physics were given the opportunity to give other reasons for not going to Physics. Electronics, Astronomy, and the biochemistry and medicine signed for these courses are now being determined. Changing the choice to go to be a language must be done by the present Junior year because of the smaller language classes in Senior year and because of the teachers it would cause the IBM computer and Mr. Cassidy.

Various business courses in Economics, Accounting, and Business Law are also offered for next year's Seniors. Mechanical Training is open to students from Sophomore through Senior year.

Accounting and the advanced science courses probably Geometry and Biochemistry are the most popular choices for the present Junior Class this far.

Band Sponsor Paper Drive

The Band will run a paper drive to defray the cost of new equipment for their music. A portion of the paper from the gym club goes to the Elmhurst Park. Band which is one of the finest in the city. But to do so, the band must have the money. The support of all Brother students can be done.

Any form of paper is acceptable. Instead of three pieces of old papers, it won't hurt to bring them to school. If there are any large pieces of paper that have to be up, please contact Mr. G. Any number of the Band will be more than eager to help. All papers must be turned in by Saturday, April 3. Students with an 11th or 12th grade free in the spring and there is expectation. Band will be given a the amount will be up.

The STANDARD is Brother Rice's student publication. This year's edition came under attack from all sides by concerned students. Suggestions were well taken by an ambitious but small staff headed by Joe Brosnan and moderated by Br. Marque.

Reflecting growing concern on the part of students, the STANDARD offered many editorials and statements of fact on dozens of issues ranging from a humorous dissertation on the "Taxonomic Problems With the Naked Lobose Amoeba" to the perennial issue of "School Spirit."

Many more issues of the STANDARD were presented to the student body than in previous years, providing them with current information and entertainment.

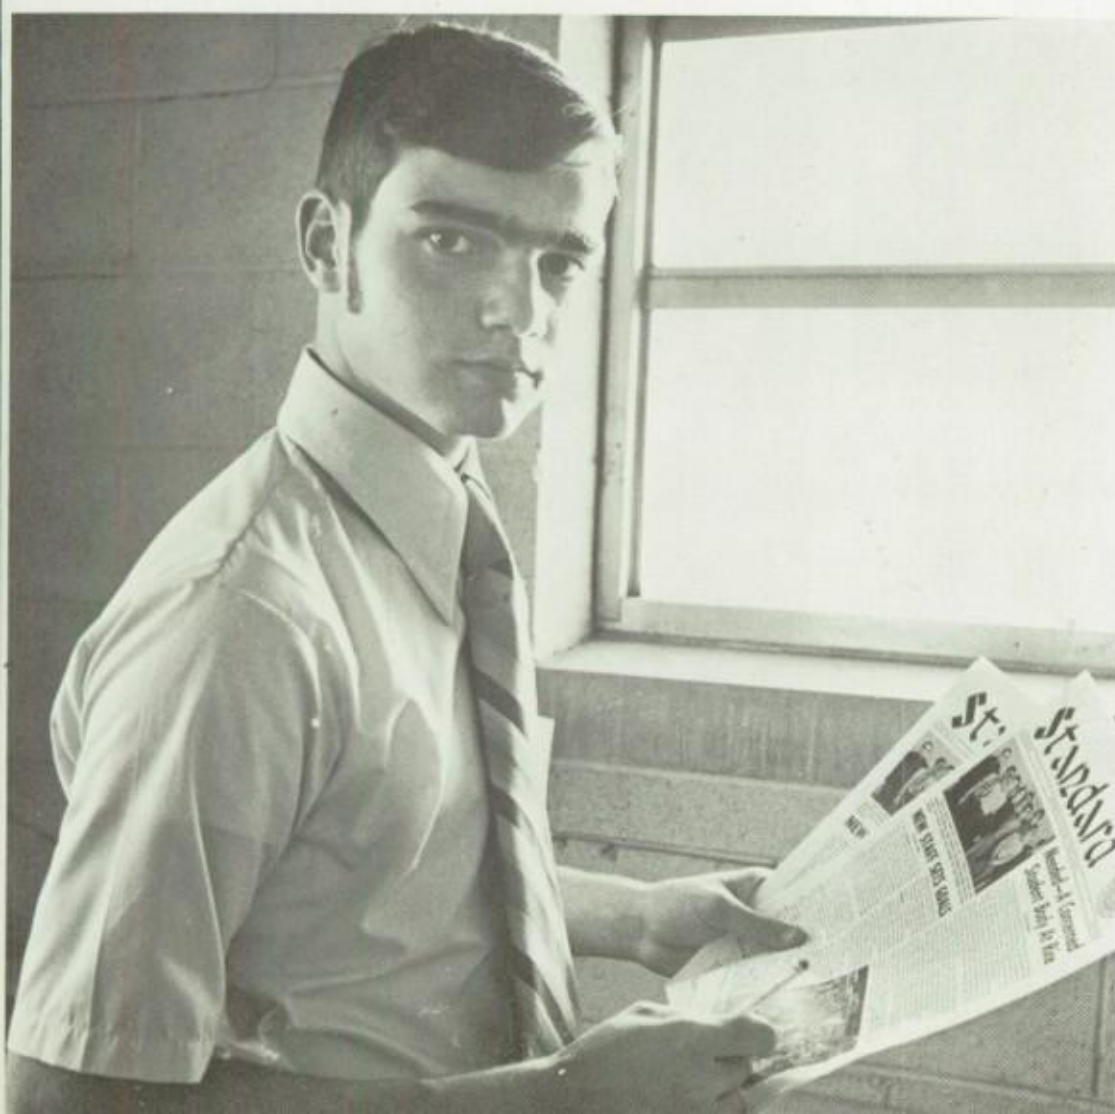

The best year that the STANDARD has experienced can be attributed to good leadership and organization. STANDARD can look forward to even better years with a group of eager underclass reporters.

Pep Club And Dance Committee

Providing a great deal of school spirit and evoking a tremendous amount of pride were the Dance Committee and Pep Club. Most of those participating in one of these activities also took part in the other.

Under the leadership of Mike Flavin the Pep Club did an excellent job in organizing the pep rallies and leading the cheers at sporting activities. The Pep Club has started what we would like to see become a tradition at Rice: a Senior vs. Faculty tug-of-war during Homecoming weekend. Even though the best beef of the faculty was pitted against the muscle of the Seniors, the Seniors were left standing, gaining the first win much to the dismay of Mr. Perry and Co.

The Dance Committee did a superlative job in planning and decorating the Homecoming and Winter Dances, as well as the sawdust dances. Under the chairmanship of Pat Casey, the Committee transformed the gym into a dance hall circa 1890 and the cafeteria into a psychedelic dance palace, at Homecoming.

The Winter Dance saw the cafeteria become a ski villa in the mountains. Rice, unlike most schools, can truly take pride in the work done in decorating for major dances. The Committee certainly has kept up the tradition of making an all out effort to make major dances an experience to remember.

Impulse

IMPULSE is Rice's literary magazine. Creative writers have an opportunity to display their talent in this publication. Under the supervision of Mr. Hickey, many students waded through articles submitted to them and compiled a magazine including essays, plays and poems.

Editors John Rusin, Ron Sojka and Pete Brown put together a thirty page magazine with over twenty articles. Even though only one edition was printed this year, the staff deserves praise for their fine work.

B.R.A.T.

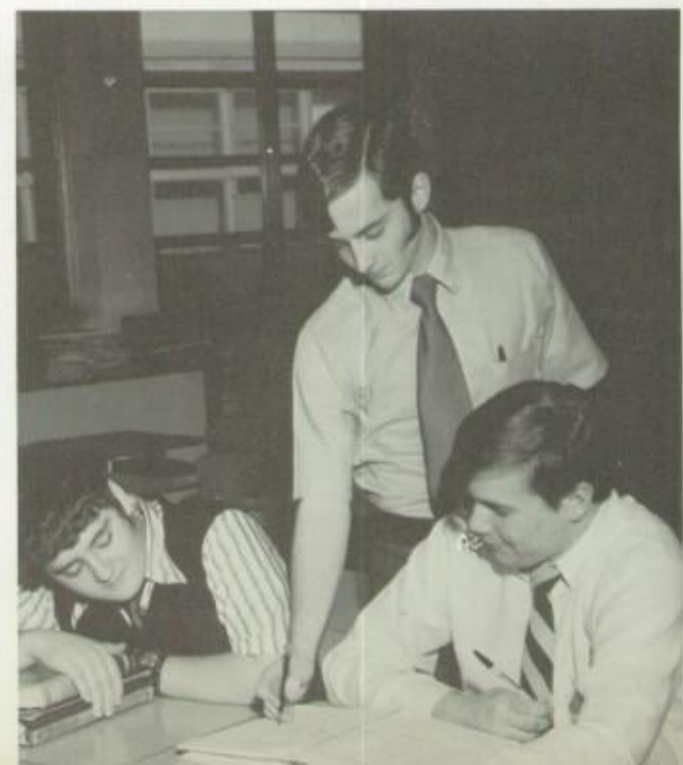

The Brother Rice Association of Tutors was moderated in the first semester by Br. Donnelly and after his transfer, by Br. May. Tutors meet with their tutees during study periods and during the last half of their lunch periods. A nominal fee is charged by the tutors to insure a serious attitude on the part of the student.

B.R.A.T. is in its third year at Rice and will continue as long as students who need help seek it, and as long as other concerned students want to help them.

Besides doing repair work on the electron microscope, Club members help maintain equipment used by the physics classes during the day. Under the direction of Br. Lucas, the repairs on the electron microscope should be finished next year.

Chemistry Club

In its first year at Brother Rice the Chemistry Club performed various experiments under the supervision of Br. Favero. Students try to gain a better understanding of chemical theory through experimentation in the Chemistry Club.

Seniors

Honor Society

The National Honor Society is a nationwide organization of high school students of superior academic achievement. Seniors and juniors who have attained a 3.0 average and participate in extracurricular activities are eligible. Candidates are then elected into the Society by the faculty.

Mr. Berry took over the duties of moderator after Br. Donnel-

ly left for Hawaii. This year the NHS did a fine job of helping to locate and contact past graduates to form an Alumni Association. They were led in the work by their officers: Seniors Gene Carranza and Carl Zwitter, and Juniors Jim Daum and John DeFalco.

Although this year's debate season lasted only two months it materialized into one of the most successful in Rice's history. At two of the four varsity tournaments Paul O'Flaherty and Matt Trzyna took first and third team trophies in addition to numerous speaker's trophies. This record allowed them to qualify for the National Tournament held in New Orleans, the first team from Rice to do so.

Forensics

Public speaking can be one of the most useful arts learned in school. Under the quiet able leadership of Mr. Ross, students are able to perfect their speaking ability while building up their self-confidence.

Brother Rice can be proud of their Forensics team for the great job they did in representing their school in numerous tournaments during the school year.

Every Tuesday afternoon groups from Rice and McAuley meet with underprivileged kids and tutor them in reading and other subjects. We may talk of doing a part in helping those less fortunate, but how many of us do something constructive? You can bet that these Ricemen and McAuleyites are doing their parts. The tutors were divided among the three inner-city schools whose students took part in the program: St. Cecilia's, Holy Cross, and St. Cyril's.

Art Club

Seniors who desired to learn about art had the opportunity to do just that through a credit course in that subject.

The Art Club, those students who wish to cultivate their artistic potential, displayed their wares during the year in the foyer and in the main trophy case.

Nobody can argue the fact that no better teacher can be found than Br. Chapman. No one is more qualified or better at bringing out talent in students and teaching them style than is Br. Chapman.

It would be impossible for the librarians alone to maintain our library. If it weren't for the help of Student Staff Librarians, our expanding library would not run as smoothly as it does. In addition to stacking the shelves and providing for the general maintenance of the library, student Aides are always available to help lost bennies in our bustling book barracks.

The A-V Department, affiliated with the library, provided many new innovations such as closed circuit TV this year.

The Brother Rice French Club is comprised mainly of Br. Wolfe's Senior French class. The members engage in various French culture activities. The French Club is designed to further the student's understanding of France, its culture, and its people.

A trip to the French restaurant "Michele's" on the North Side gave the members a sampling of French atmosphere and cuisine. Some attended the French production of "The Would Be Gentlemen," by Moliere at a northside college. Through similar projects, the students will not only learn a foreign language, but also its related culture.

Project '70

Project '70 is a charitable organization composed of a selfless group of students and faculty members — people dedicated to the aid and comfort of the underprivileged. Moderated by Br. Marque, the group undertook several worthwhile projects throughout the year: the blanket drive, the annual Christmas food drive, the Christmas relief trip to Appalachia (led by Br. Paikai), aid to migrant workers program, and several others. Funds necessary for the operation of Project '70 were raised through sawdust dances and other industrious undertakings.

The time and efforts of Project '70 members were repaid several times over through the satisfaction of knowing that they had truly helped people who are almost forgotten.

Mothers' Club

The Mothers' Club once again proved to be one of the most active and successful organizations of Brother Rice. The annual Circus Fair, held in November, tipped off a year of activities unparalleled in past years. Luncheons and fashion shows spotlighted a grand assortment of ambrosial and ambitious activities.

Dad's Club

The Dad's Club, moderated by Br. McGraw, had a very successful year. The fund drive raised over \$50,000. The dads also attend every sporting event and dance ushering the throngs attending. Many hours of thankless work are willingly spent by the Dad's Club benefitting all those attending Rice's many activities.

On the humanitarian side, the Dad's Club sponsored walkers in the Hunger Walk. They also help Ricemen whose fathers have passed away by allowing them to continue their education at Rice without having to worry about meeting the cost of tuition.

Rice students are indebted to the Dad's Club for all the great duties and projects they undertake.

SPORTS

Football

The 1970 Brother Rice Football Crusaders finished their season with a 3-3-1 record. This deceptive record, however, does not reflect the determined and exciting team effort which led to the Crusaders winning three straight league games after losing two pre-season and two league games.

Coaches Mitchell and Johnston are to be commended for molding an inexperienced squad — there were 11 Seniors on a squad of 50 — into a contender. The brunt of the pressure and work fell on the Underclassmen, who inevitably made costly mistakes. This was especially true in the loss to Gordon Tech.

This was the first time in the last five years the Crusaders have not made the Catholic League Playoffs, yet the coaches point out that they had a chance for the playoffs right up until the last game with St. Rita. The Crusaders' persistence made their lack of size and inexperience stay in the background.

The Captains of the team this year — Seniors Carl Oberzut, Steve Fetzer, and Jim Levy — made the season a true team effort. Steve and Jim led the Turks to some great defensive efforts, especially in stopping the highly explosive Gordon offense, with Rice offensive mistakes giving Gordon the win.

Carl Oberzut played the greatest individual role in the Crusader season. He broke many school offensive records while also playing some defense. Carl broke the school's quarterbacking record for points scored, passes completed (93), passing percentage (58%), touchdown passes, and yards rushing for a quarterback. His best game came in the fantastic win over Mendel. He ran for two touchdowns, passed for one, and returned an interception for another. He also proved a clutch player in the Homecoming tie with St. Laurence.

Along with the Captains, other Seniors showing great talent and leadership were Pat Leahy, Jim Loftus, Tony Kauffmann, Dave Urbaniak, Jim Bruckner, Larry Casey, Bob McShane, and Larry Johnson.

The team is definitely to be considered a powerhouse in the Chicago Catholic League next year. Bob Simons, an All-Area Honorable Mention and leading pass receiver for Rice (24 receptions), will lead the team with other Junior standouts Jim Minicino, Ed Tunney, and Mark Cooney. Adding the 29 Sophomores from this year's Varsity to the squad next year, Brother Rice's Crusaders may well earn their first City Championship.

Freshman Football

The Brother Rice Freshman Football Team completed one of the most successful seasons of any Rice team in the school's history. The record compiled was a perfect 7-0. Rice recorded 5 shutouts, with the 33-0 victory over St. Laurence being the greatest win of the season. Another great show of strength came in the 48-6 victory over Weber.

Coaches Staron and Kluchard again led the Freshman Team to its third consecutive winning season. Strong contenders to be Varsity standouts as Sophomores next year are Jim Coleman, Jim Zic, and Tom Keating.

Cross Country

Brother Rice's varsity harriers captured second place in the Catholic League South Section this year, while posting a dual meet record of 7-7. The team got off to a slow start, losing three of its first four meets to teams such as Fenwick and Loyola, but bounced back later in the season, beating traditional rivals Hales and Leo, as well as outside competition like Dunbar and Harlan.

The cross-country team was under the direction of Coach Robert Burt, in his fourth year as head coach, and was captained by senior standouts John Burke, Phil Stanko, and Rich Manion. Manion was also selected to the Catholic League All-Star team, as well as earning recognition as the South Section varsity champion. The team finished fifth in the overall Catholic League Championships, with the hope of even a better year next year.

The Junior Varsity runners were successful in defending their South Section championship for the fourth straight year. The Crusaders compiled an excellent dual meet record of 13-1, and after winning the South Section title, went on to capture first place in the Catholic League championships.

Outstanding performances were turned in by every member of the team, particularly by Ken Kushibab, Bob Scully, and Dave Zorich, who were chosen as Catholic League All-Stars.

Water Polo

After consistent domination of water polo competition in the Chicago Catholic League for the past five years, Brother Rice was finally relegated to second place behind a surprisingly powerful Fenwick team. Rice also finished second in the pre-season Mt. Carmel Tournament.

The leadership of Coach Mulcrone and the efforts of the team members were not in vain though, as the Crusaders still managed to compile an admirable record of six wins and three losses in league play.

 SEASON RECORD: 6-3-0

The Friars of Fenwick proved to be an unexpected obstacle to the Brother Rice title hopes, as the Crusaders were beaten by them in three league games and one pre-season contest. Throughout the season fine efforts were turned in by seniors Al Coyne, Jim Bednarz, and Mark Anderson, and juniors Gary Tauss, Vince Dekan, Dan Russell, Bob Scheide, John Coyne, and Tom Siska. The overall performance of the team was coordinated by the consistent play of three of the more experienced members of the team. These outstanding veterans were All-City selection Felix Kirkpatrick, two-time All-City pick Chuck Cody, and three-time prep All-American, Captain Tom Barry.

Although losing all but one starter through graduation, next year's water polo team has a chance to provide some surprises of its own in the Catholic League.

Swimming

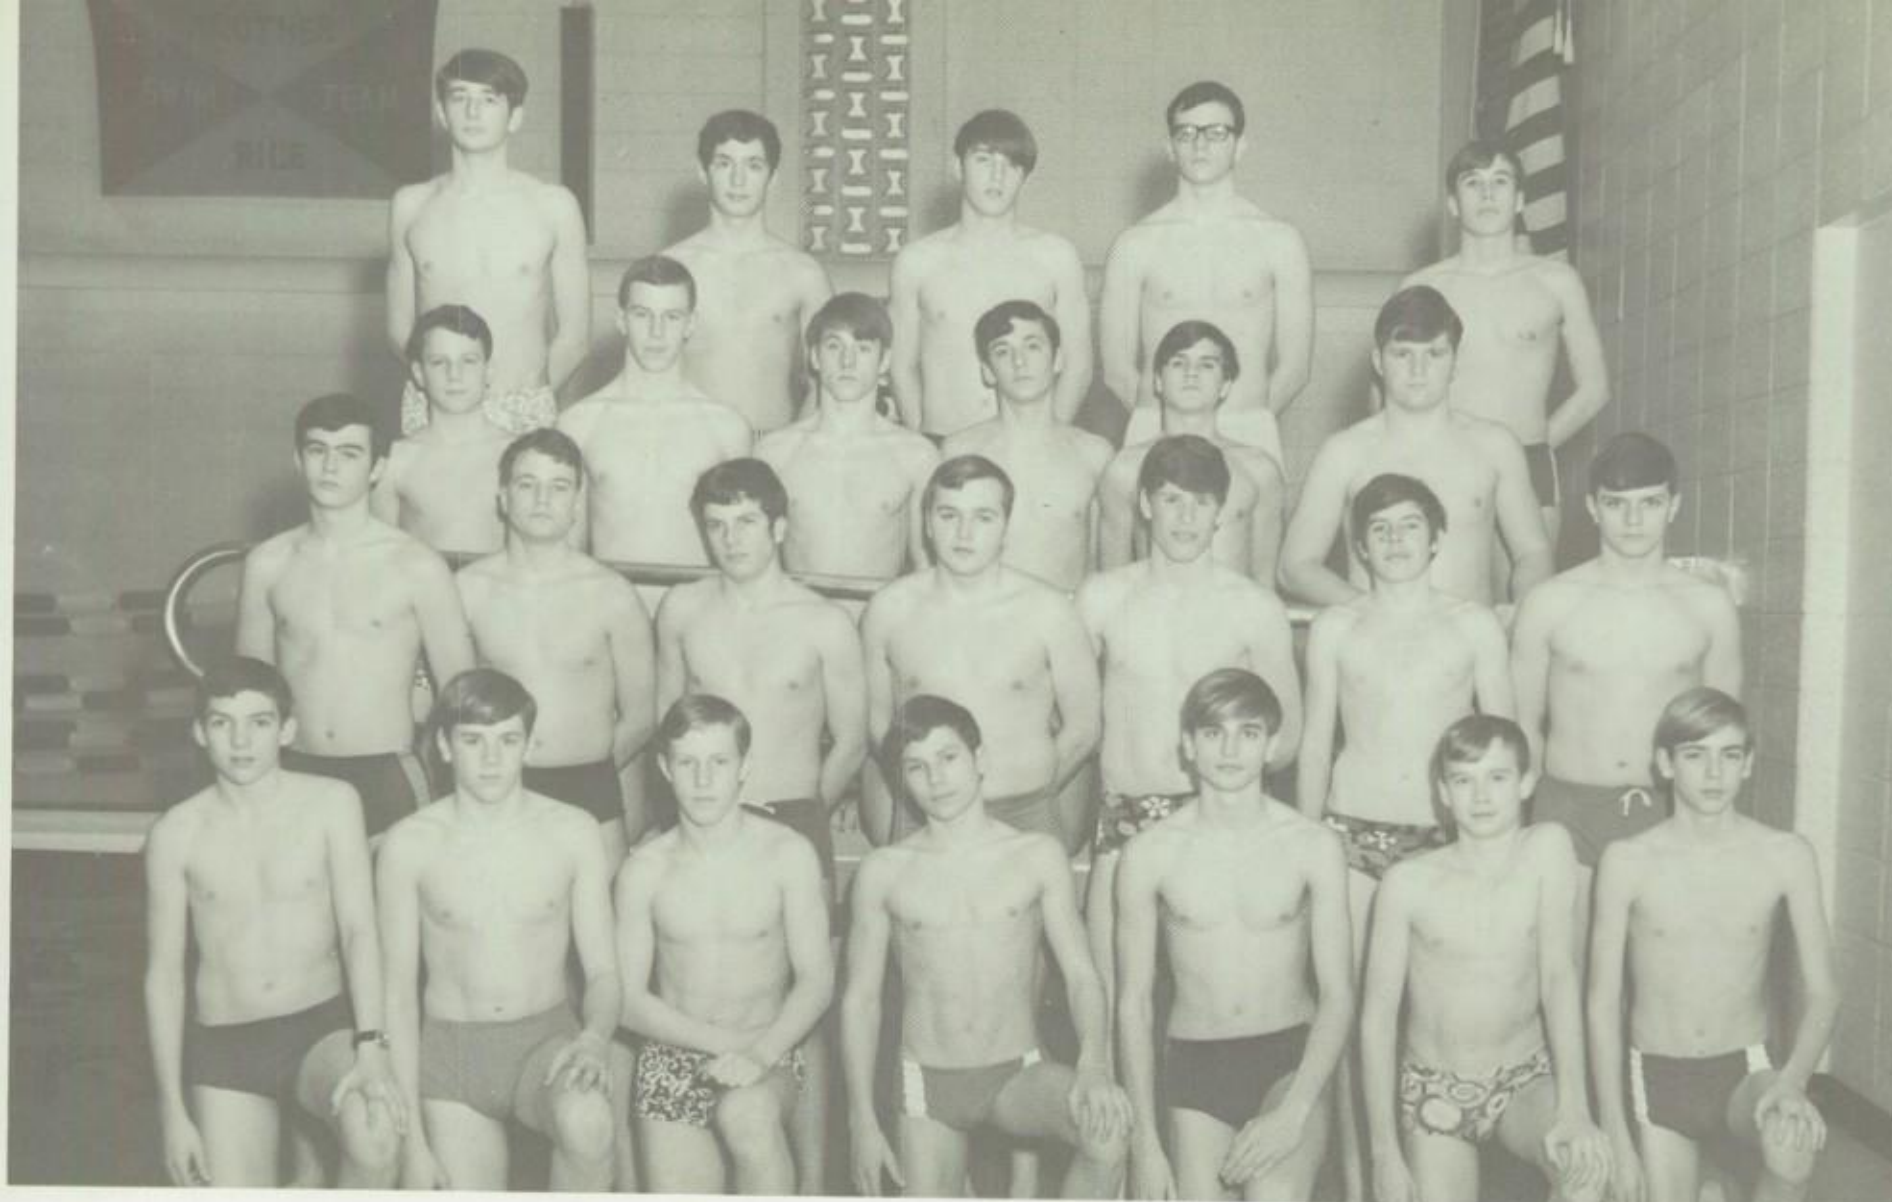

The Crusader swimming team once again completed the season with a winning record under the guidance of Moderator Brother C. B. Joyce and Coach "Moose" Mulcrone. The Ricemen, led by seniors Tom Barry, Jim Bednarz, Paul Janeczek, Chris Lamb, and Mike Pappas, compiled a fine record of eight wins and four losses in dual meet competition.

The Junior Varsity also had a successful season, competing in one more meet than the varsity and emerging with a record of 9-4 for the year. All of the losses suffered by the Crusaders were at the hands of perennial rivals Fenwick and Loyola, a fact which will undoubtedly provide an added incentive for the members of next year's team.

Basketball

Heavies

The 1970-1971 Brother Rice Heavies Basketball Team again finished high in the South Section, proceeding then to the Catholic League Playoffs. With height and experience aiding their talent, the Crusaders filled the gym as they made a run for the South Section Title right up to the last game of the season.

Led by Senior Ed Riska, Captain and All-Area Honorable Mention, and Phil Hicks, leading scorer and also All-Area, Rice was only knocked out of the tie for first place in the final game of the season, losing to Mt. Carmel, 80-74. Aiding Riska and Hicks were Rich Sloger, Rene Brown, and Art Bibbs. Seniors Carl Zwitt and Chuck Madsen gave consistent help from off the bench.

The home game against Mt. Carmel, won by Rice 72-68, was the highlight of the year as Rice defeated previously unbeaten Carmel and tied for first. Ed Riska's last second, overtime basket in the Loyola playoff game was only one of the many exciting plays turned in by the team this year.

Head Coach Will Kellogg and Assistant George Sedlacek deserve great credit for leading Rice to its third consecutive playoff berth. Sophomore starter Art Bibbs should lead Rice to its fourth consecutive playoff next year.

Lights

The 1970-1971 Lights team did not have the successful season they had hoped for, but proved to their fans and themselves that they could play exciting basketball and that they would be a sure contender for next year.

Led by Senior Captain Tony Byrnes, who was also the team's leading scorer, the team compiled a 5 won, 7 lost league record. The team's high point had to be in the game against Mendel on Rice's home court. Controlling the game all the way, the Crusaders hung on to beat the previously unbeaten and eventual league champions by a score of 68-61. Exceptional performances were turned in by all five starters in this game. The starters were Tony Byrnes, Ray Topps, Rich Harrigan, Lincoln Walker, and Jim McGowan.

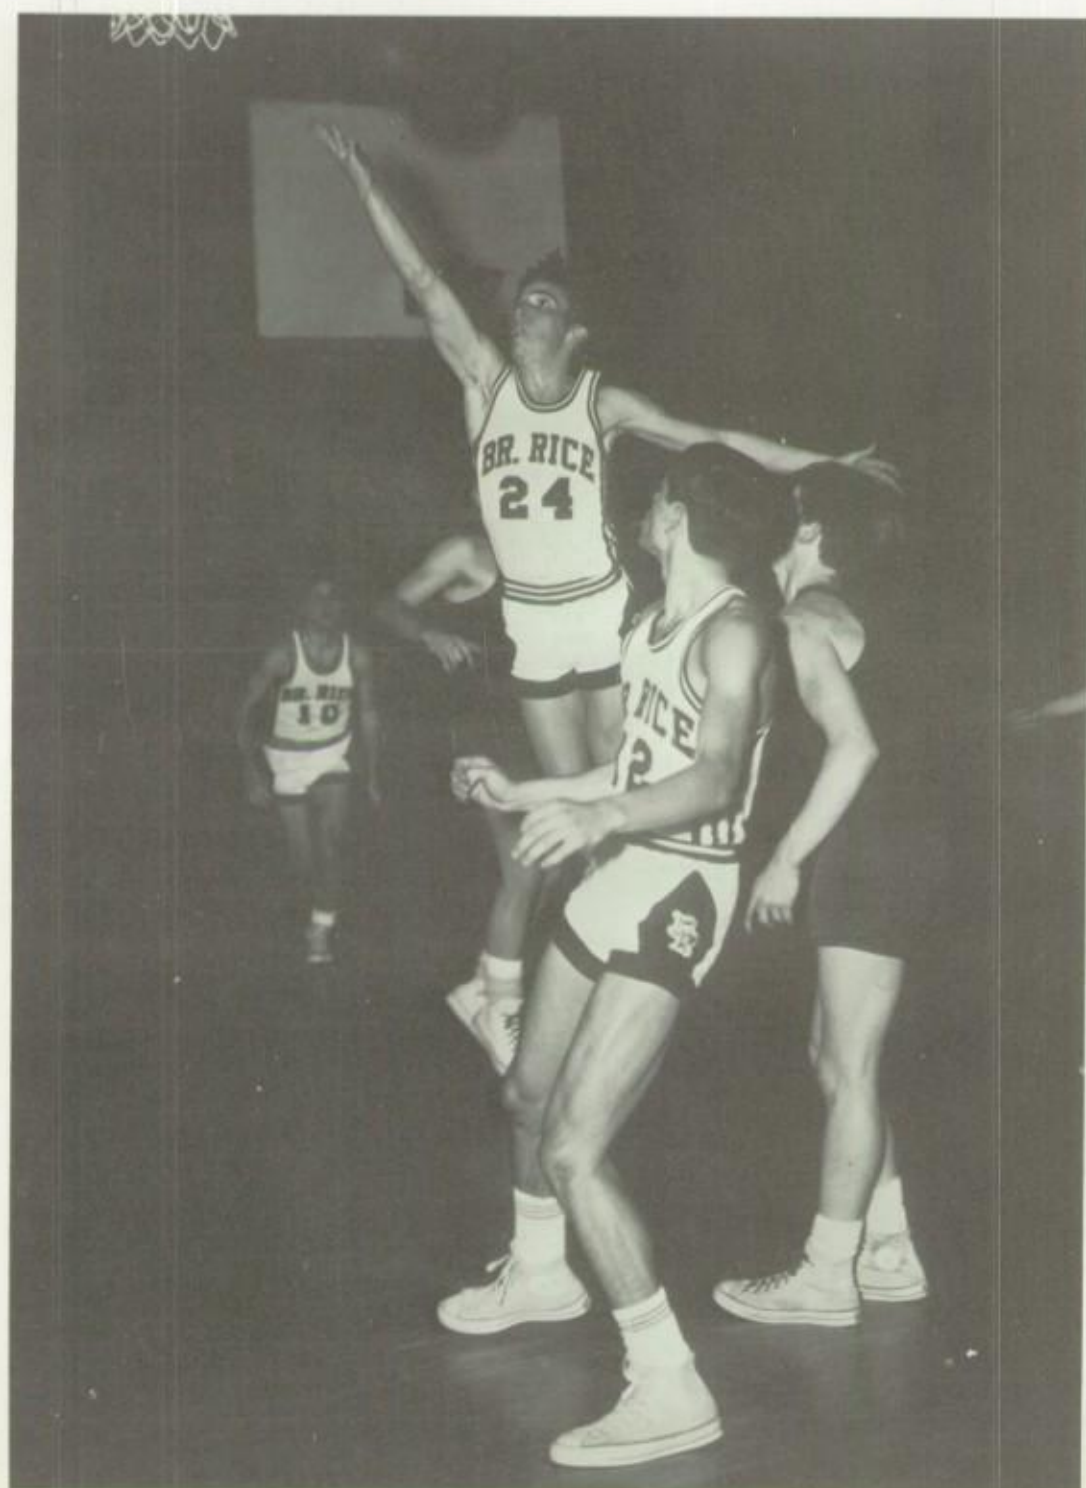

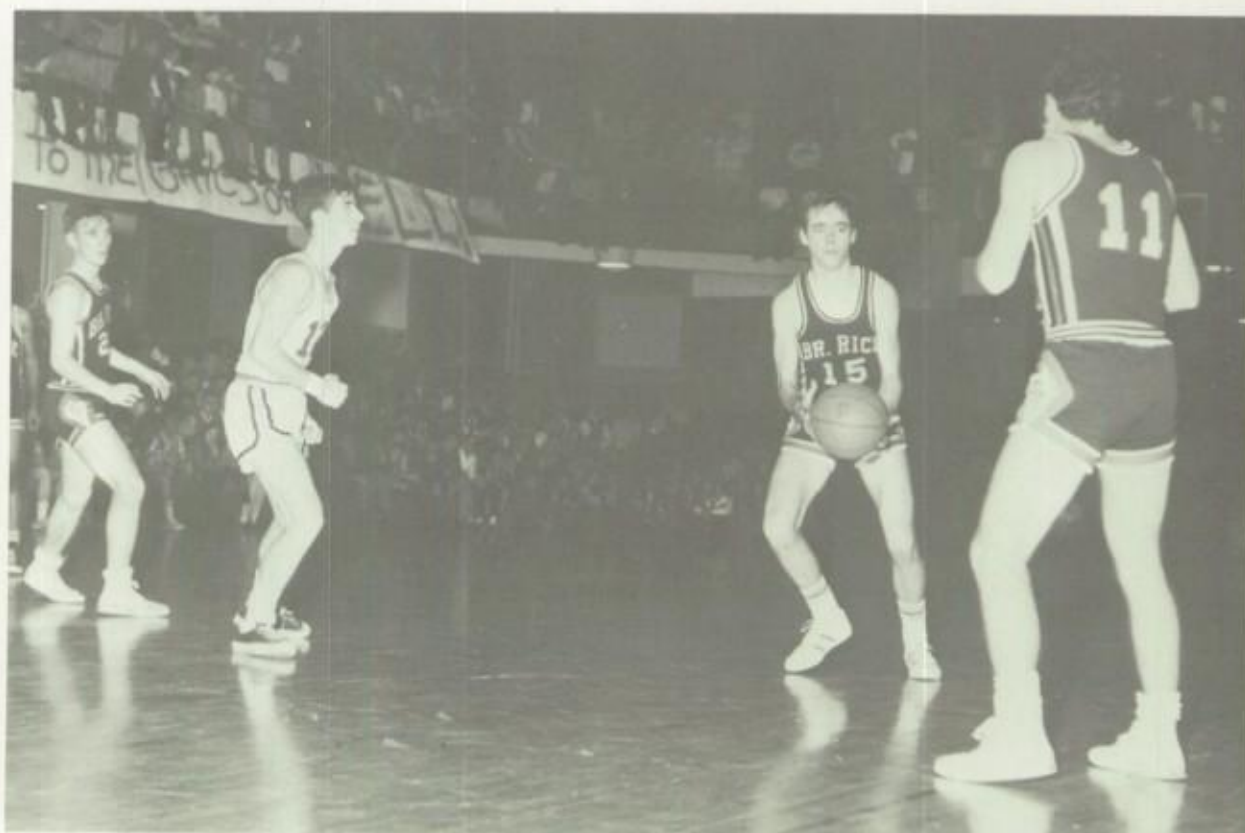

The great hopes for the team next year lie in the fact that this year's team had only two starters who were Seniors — Byrnes and McGowan. Rice is due for another great Lights team, and Coaches Kellogg and Sedlacek are sure the experience gained through this year will lend itself conducive to a Catholic League Championship team next year.

Wrestling

Wrestling competition in the Catholic League was tough again this year, as it is every year, and the proof of the caliber of the competition can be seen in Brother Rice's third place league finish, despite the posting of an enviable won-lost record of 13-4. The Crusaders, under the able direction of Coach Dennis Moll, fought hard early in the season to attain eight straight victories before losing two close matches to Loyola and Mendel. The grapplers bounced back, however, to finish third in the league, and fourth in the annual Mike Murphy tournament.

The Junior Varsity finished a strong second in the Catholic League, making prospects look bright for the future.

Last year the Brother Rice hockey team was the surprising victor in the Kennedy Cup playoffs, after finishing second in the Catholic League. After this performance, there were some who wondered what the team could do to improve itself, but the Crusaders of 1970-1971 did indeed improve, capturing the coveted Kennedy Cup with four straight playoff victories, after completing the regular season in possession of first place with a league record of 9-1-2.

A strong and experienced Rice team began its quest for the title with a pair of tie games with Mt. Carmel and Loyola, after compiling a pre-season record of 5-4-3. From then on the Crusaders were unstoppable as they rolled on to nine consecutive triumphs against stiff Catholic League Competition, before being jolted by St. Rita 4-0 in the final game of the regular season. These nine straight wins represent the longest winning streak in the history of Brother Rice hockey.

The balanced Crusader attack was next focused on Fenwick in the semi-finals of the playoffs, in which the Ricemen beat the Friars in two straight. Afterward it was just a matter of time as Brother Rice skated past St. Rita 5-1 and 4-0 in the finals to retain possession of the Kennedy Cup.

1970-1971 was a year for scoring in the Catholic League as the Crusaders registered 51 goals, while allowing 31 to be scored against them; both are Brother Rice records. Notable individual performances were turned in by centerman Jerry Haggerty, who scored a record-tying 15 goals for the season, goalies Paul Barry and Casey Carr, who teamed up to win the league goalkeeping trophy with a combined goals against average of 2.4, and defenseman Kevin Christy, who led the team with a total of 51 penalty minutes.

Individual honors were received by Haggerty, who was named Rice's most valuable player after finishing as runner-up in the league balloting for M.V.P., and was placed on the All-Star squad along with teammates Casey Carr, Paul Barry, and left-winger Jim Augustine. The trophy for the most improved player went to senior right-winger Carl Nimtz.

Track has been one of Brother Rice's strongest athletic endeavors through recent years, and again in 1971 the Crusaders proved their worthiness at both the Varsity and Junior Varsity levels.

The Varsity continued their habit of winning the South Section championship, beating out perennial rival Leo for the title. Coached by Mr. Robert Burt and led by co-captains Rich Manion and Mark Sterk, Rice outclassed competition in the South Section, and finished a strong third in the City meet behind Loyola and Hales.

Other seniors on the team include sprinters Jack Lewandowski and Ron Petri, hurdler Matt Trzyna, and distance men Phil Stanko and John Burke. Competing in the field events were seniors Ed Glazar and Steve Janes, as well as juniors Frank Mat-talino, Kevin Cronin, Brian Glynn and Tom Pajula.

The J.V. also made a fine showing, duplicating the Varsity's effort by winning the South Section title. High-lighting the J.V. roster were distance runners Dave Zorich and Ken Kushi-bab, and sprinters Hunter Lewis and Sylvester O'Dell.

Baseball

The Crusaders of Brother Rice again proved their worth to the rest of the Catholic League as they brought the championship trophy home for the second straight year.

Compiling a 15-3 record in regular season play to capture the South Section crown from De La Salle, the Ricemen turned in an excellent record of 26-4 in overall competition, including the playoff victories over Gordon and Weber which earned them the Catholic League Championship.

The team was consistently outstanding, and prompted Coach Sedlacek to comment that this was the "best team I've ever coached." Part of the success of the Crusaders can be reflected in the remarkable team batting average of .325. Four of the stand-outs on the team were selected to the South Section All-Star team, and were directly responsible for the South's 9-8 comeback victory over the North Section All-Stars in Comiskey Park. These four players are, John Fazy, Mike Redden, Doug Scheidt, and Jim Ruzich.

Because of such performances, as well as the steady guidance of Coach Sedlacek and the leadership of Co-captains Bill Ralph and Ray Crowley, the Crusaders of 1971 have continued the rich tradition of baseball excellence at Brother Rice.

Tennis

The Brother Rice Tennis Team, again coached by Brother Moore, easily took first place in the South Section and went on to take third in the Catholic League. The team was paced by Seniors Joe Brosnan and Mike Schaller.

Juniors Paul Gudonis, Al Palma, and Arvy Grybauskas, Sophomores Dave Para and Bob Stachniak, and Freshmen Ed

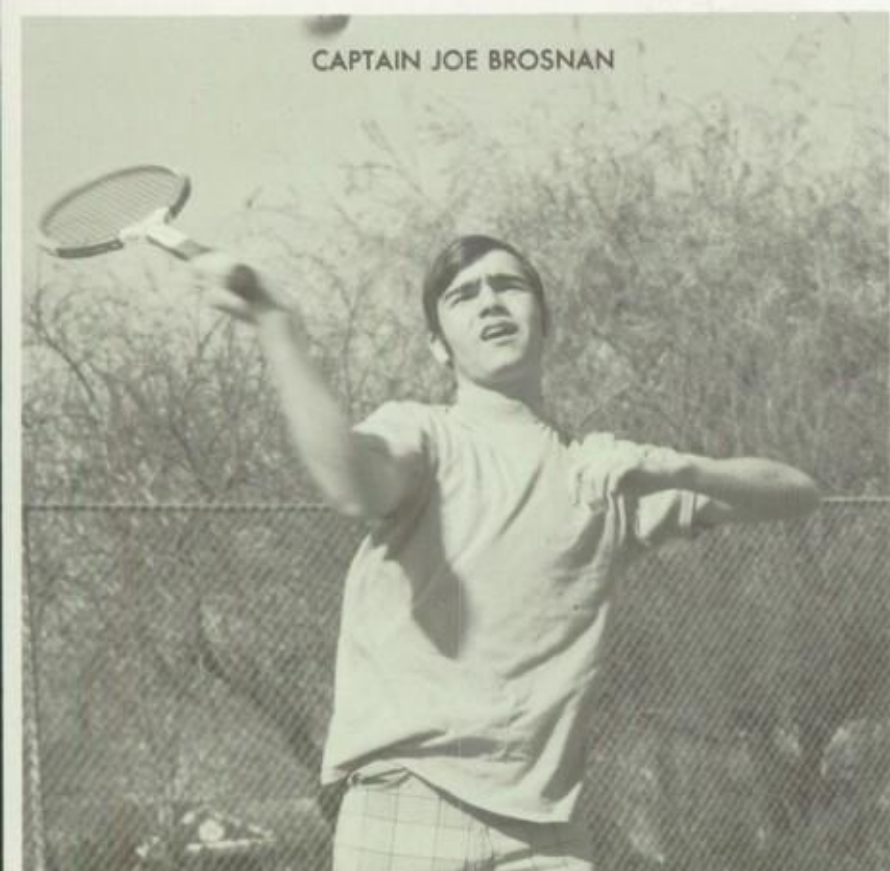

Gudonis and Vito Cemarka rounded out the starting team of five singles and two doubles.

Besides finishing high in the regular fall season, the Crusaders took many trophies and honors to spring tournaments and dual meets.

Soccer

Brother Rice's 1971 Soccer team had a successful season, considering that the team is only in its third year of organized competition. The "A" team posted an overall record of three wins and three losses, and although two of these victories were scored in pre-season contests, they nevertheless helped the season to be a satisfying one. This year, the team was again coached by Brother Marque and captained by seniors Frank Sheridan and Don Vaccarello.

The "B" team, consisting mainly of underclassmen, should again provide the varsity with experienced talent next year, as the Crusaders continue to improve in Rice's newest sport.

Golf

The 1971 edition of the Brother Rice golf team improved steadily throughout the course of the season, reaching a peak at the all-important Catholic League championship match. In their season dual matches the team members made impressive showings in defeating Bogan, St. Laurence, and Mendel, and squeaking by perennial power Fenwick, in both the varsity and junior varsity divisions. The varsity's only setback occurred when several front-liners were held out of action against St. Rita.

Guided by the coaching of Br. O'Grady, and led by the fine play of seniors Regi Starzyk, Pete Shannon, Rich Werhand, and Mike Kelly, the team easily captured the Catholic League championship. With freshman sensation Lance TenBroeck rounding out the top five, and shooting a remarkable 75, Rice compiled a 311 team score to take their biggest win of the season.

Brother Rice's 1971 bowling team turned in another fine performance under the guidance of Coach Joe Johnston, despite finishing fourth in the annual All-Star tourney, and a disappointing second in the South Section behind St. Rita.

Although missing the championship, the Varsity squad accumulated 56 points out of a possible 64 this season, an admirable accomplishment. Leading the way for the Crusaders were seniors Steve Sendaj, who led the team with a 178 points per game average and was nominated to the All-Catholic team, Chuck Tauchman, who maintained a 172 average, and Warren Friedl, who put together the highest series on the team with 604 points.

Tumbling

Right: Gene Carranza vaults over group of teammates. Below right: John Trant spirals above a human pyramid.

The tumbling team at Brother Rice has long been a source of entertainment and enjoyment for anyone who has witnessed one of their performances through the years, and this year was no exception as the Crusaders performed all over the Midwest, thrilling audiences with their precisely timed maneuvers. The tumblers put on several of their traditional half-time shows for the basketball fans here at Rice, as well as traveling to Rockford and South Bend to perform.

Highlights of the year include the March show at the Chicago Stadium, and also the half-time show put on between halves of the NCAA Mid-East Basketball Tournament at Notre Dame before a national television audience on NBC.

Mr. William Hunt, who coached the tumblers, and Brother K. J. Walczak, the moderator, are to be congratulated for the fine job they have done in their first year.

EVENTS

Homecoming

October 23-25, 1970

The Crusader Homecoming, 1970, was a most memorable occasion. The festivities began on Friday afternoon with a rally led by the Pep Club. Afterwards, the Senior Class routed an impressive representation of faculty members in a tug-of-war.

The annual semi-formal dance was held Saturday evening in the school gym and cafeteria. The motif of the dance was a "Roaring Twenties" Dance Hall as contrasted to a contemporary Discotheque. A large attendance of students and alumni were entertained by the music of the "TW 4" and Don Caron's Band. Highlighting the evening was the coronation of Lucy Muffet as the Queen of the Homecoming Dance. Lucy was escorted by Tony Garigliano.

Top center: HOMECOMING COURT. Gwen Carroll and Chris Martin, Queen Lucy Muffet and Tony Garigliano, Arlene Lundmark and George Barry, Anne Scibor and Joe Drennan, Mary Madden and Chuck Madsen, Ginny Lawler and John Leonard.

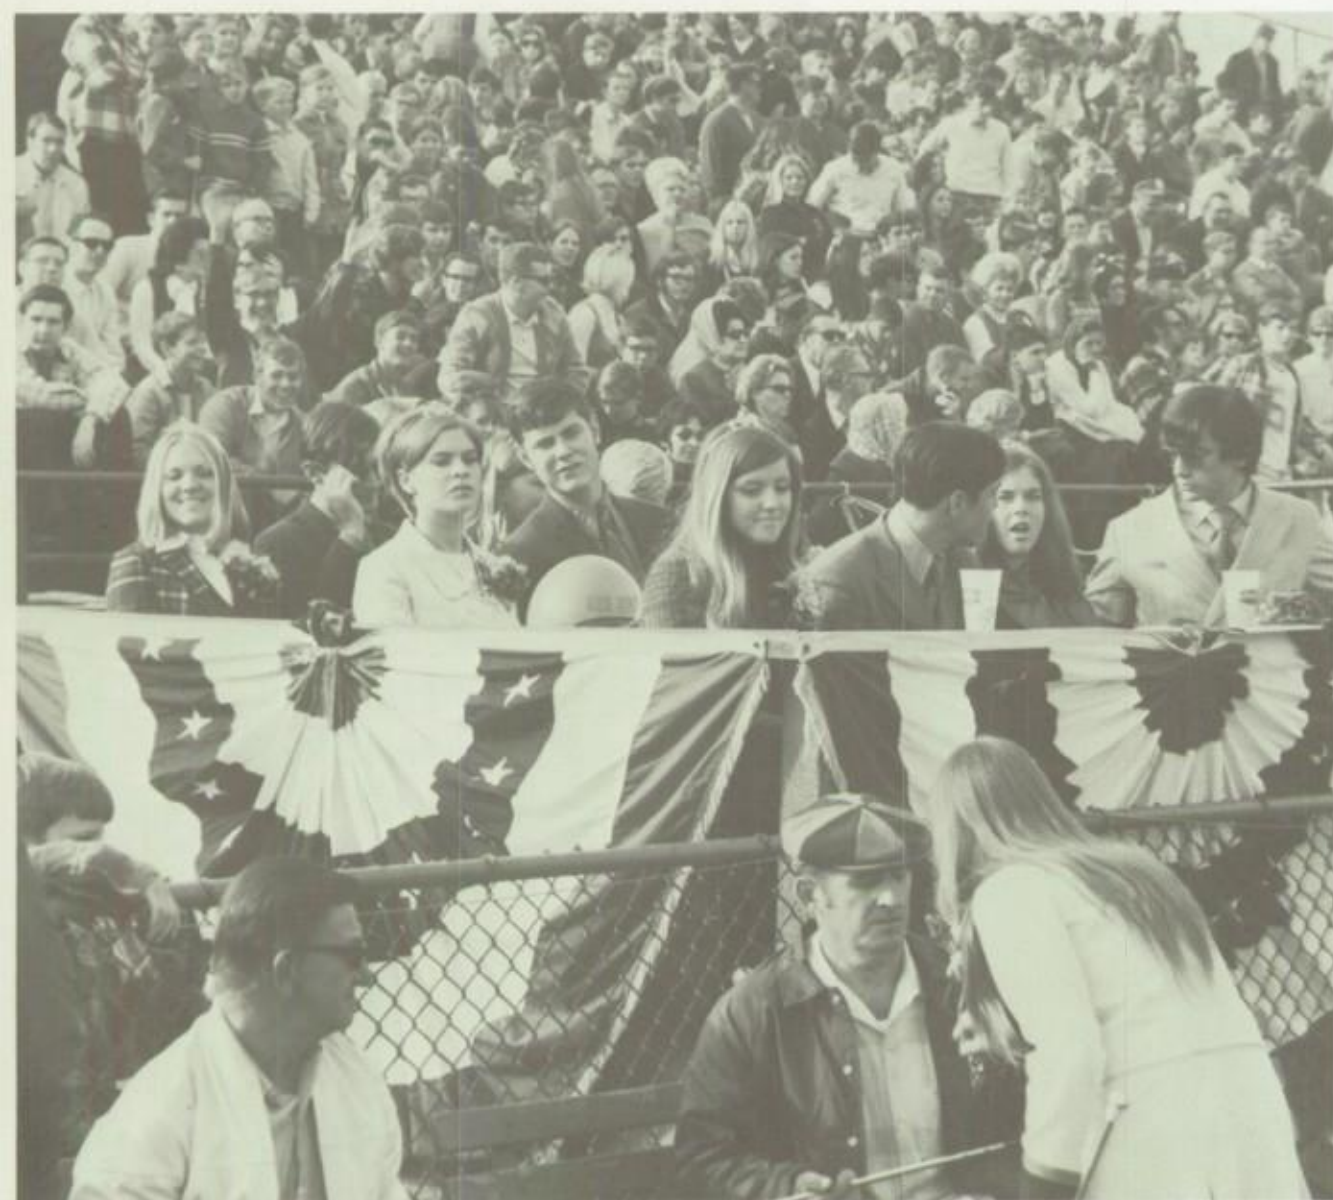

Sunday afternoon, a caravan of more than seventy-five vehicles escorted the football team to Gately Stadium to meet the St. Laurence Vikings. Fair weather and the rivalry between the two schools accounted for an exciting afternoon. The Senior members of the team led the Crusader attack with a fine running and passing performance that put Rice ahead 12 to 6 at the half. The Brother Rice Marching Band, Cheerleaders, and Pep Club entertained the crowds during the half time intermission. Late in the fourth quarter, several Viking drives resulted in a 12 to 12 tie, but the spirit of the Ricemen involved, students and alumni, accounted for a successful weekend.

National Merit Winners

Ten Seniors became National Merit Semi-Finalists on the basis of the results of the National Merit Semi-Finalist Qualifying Test. These students are included in the top one percent of all high school seniors in the nation. They also are eligible for partial scholarships to the college of their choice.

Other Seniors were awarded the National Merit Letter of Commendation.

Standing: Joe Brosnan, John Hanlon, Peter Brown, Jim Matkaitis, Rich DeAngelo, Mike McCormick. Seated: John Rusin, Paul Haskins, Joe Slovick, Peter Beata.

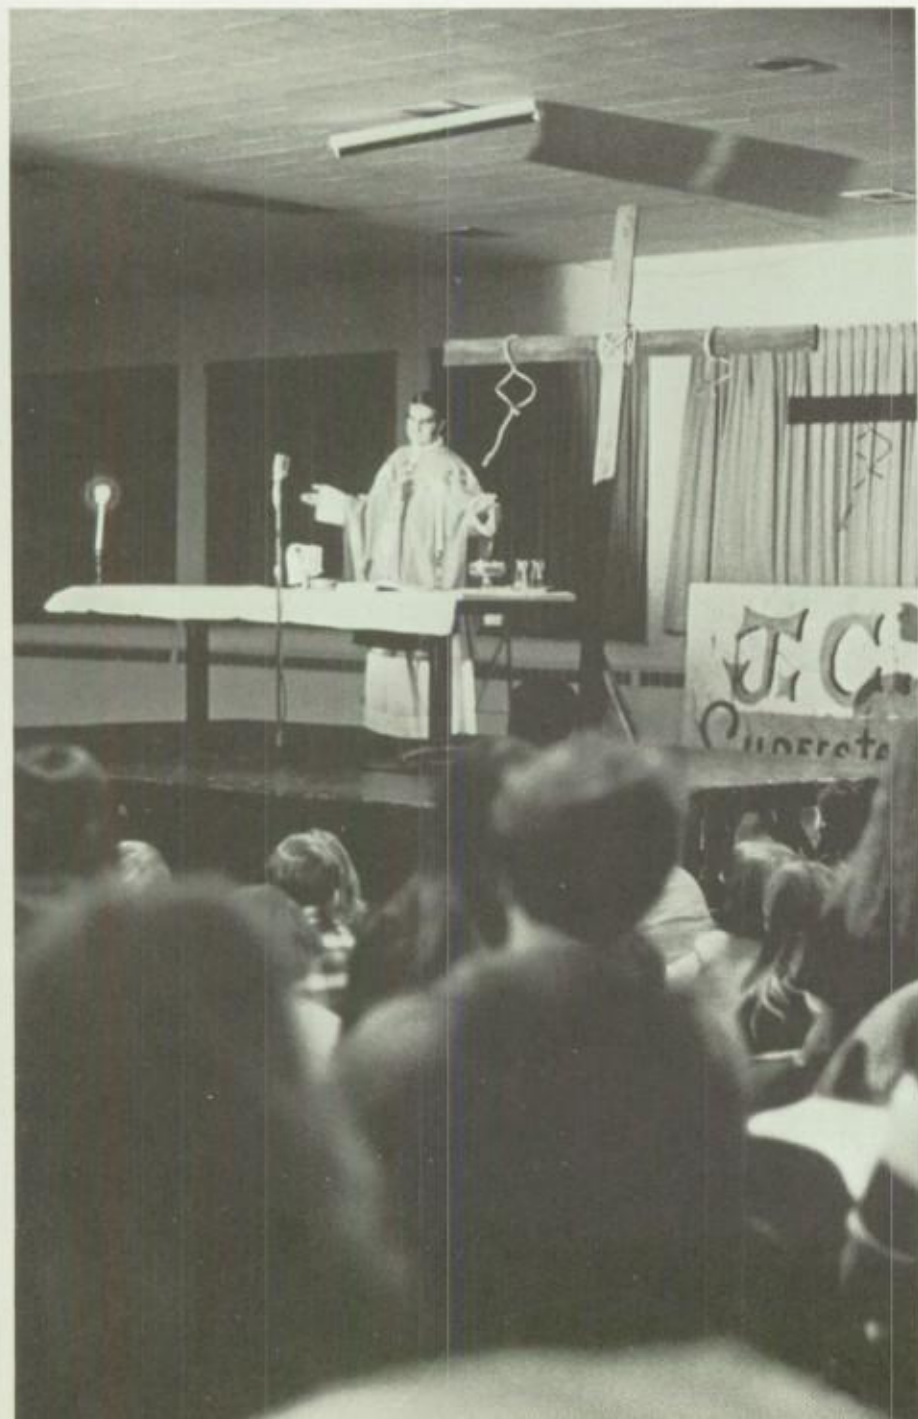

Standing: Bill Ralph, Bob Zogas, Bob Patzelt, John Cooney, Mike Hurley, Carl Oberzut. Seated: John Sereda, Jerry Gallagher, Brian Reynolds, Jim Laurencig. Kneeling: Phil Cizewski, Ralph DeFalco, Tom Marszowski. Missing from Picture: Joe Ragen, M. Strauch, Stephen Eberhardt, James Strnal.

Liturgies

The Liturgy of the Mass is a very important part of Catholic Education, and the large attendance at these Liturgies attests to the success of Catholic Education at Brother Rice. The Liturgies were organized by the Senior Class under the direction of Mr. Berry. Several priests from neighboring parishes celebrated the Masses with the assistance of Father Gallagher and Father McDonough, both faculty members.

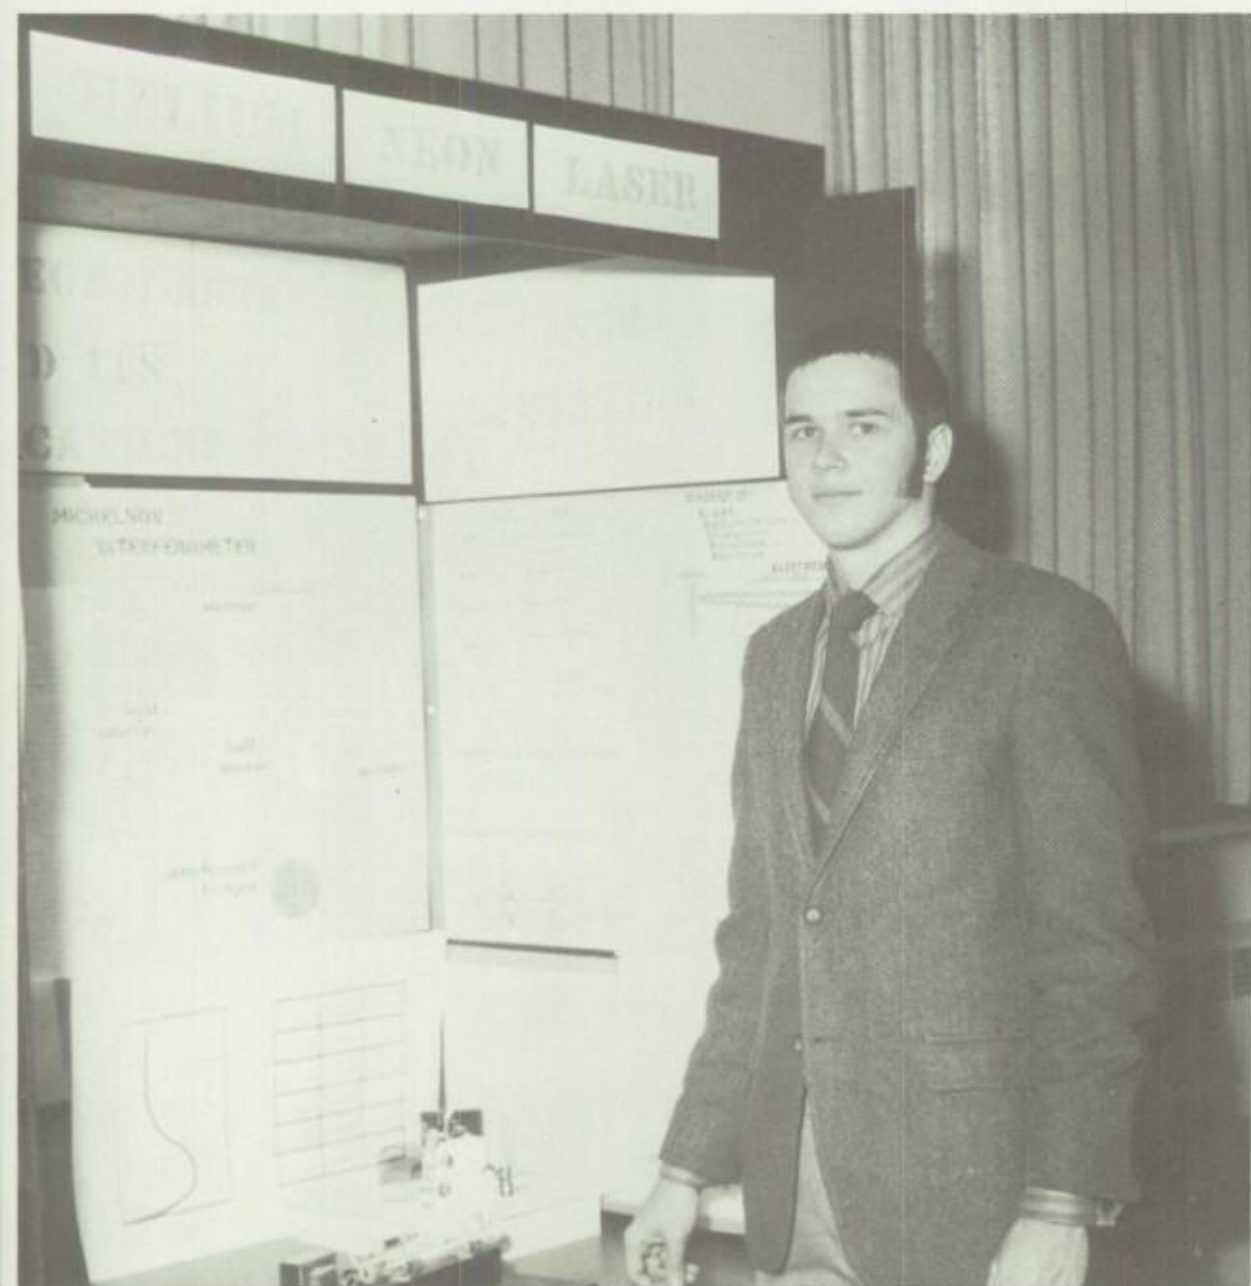

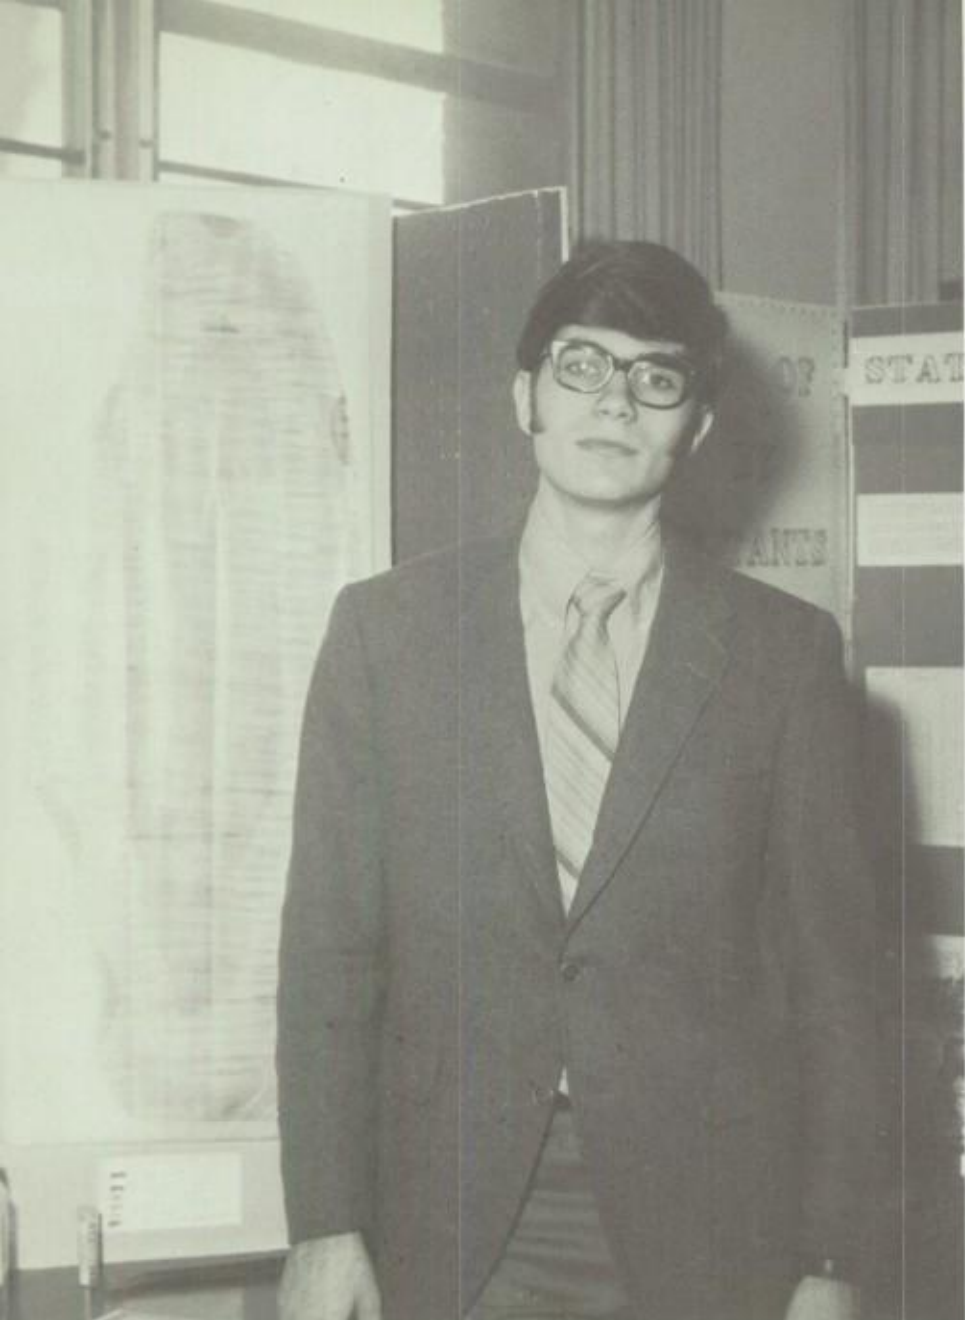

The themes of the Liturgies changed from that of petitions for a successful year to that of repentance and self examination during Lent, to that of memorial for a deceased student, and ultimately, to the Rite of Thanksgiving for a most successful year. The single most important benefit from these demonstrations of faith was the total involvement of all present, faculty and students, in the Sacred Liturgy of the Mass.

Science Fair

This year's annual Science Fair produced a large number of award-winning research projects in highly diversified fields ranging from "The Ecology of a Lake" to "The Laser Beam." Fourteen projects represented Brother Rice at the Chicago Area District Science Fair. Of fourteen projects, eleven, including Seniors Phil Stanko, Ray Brizgys, and Stan Podlasek, competed at the State Science Fair in Urbana. The research entered in the State Competition. Junior Mark Kay was awarded the United States Air Force Engineering Award for his project entitled, "Fluidics." Much of the success of our promising scientists is due to the efforts of the Science Department under the direction of Brother Murphy.

Semester Dance

The first annual "Winter Festival" was held on January 31, 1971 in the school cafeteria. The theme of this dance was a "Mid Winter Night's Dream." Almost two-hundred couples enjoyed an evening of socializing and dancing to the music of the "TW 4" and the "Mackinac Island Armory" in an enchanting Alpine atmosphere. Highlighting this "Winter Festival" was the coronation of Frances Cook as the Snow Queen. Frances was escorted by Mike Flavin. The success of this dance must be credited to the Senior Dance Committee under the direction of Brother Heustis.

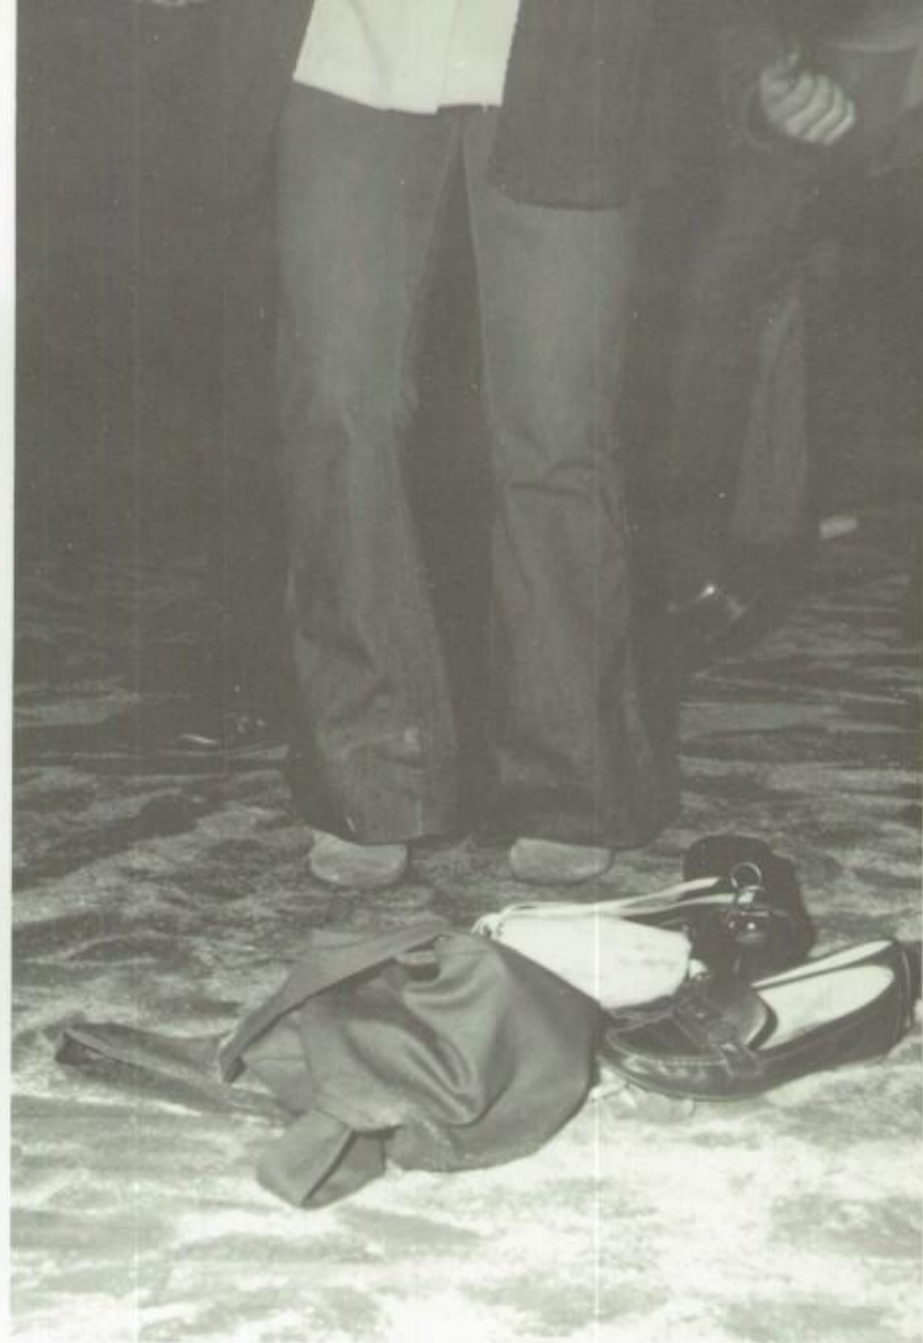

Art Fair

This year's Art Fair produced many outstanding original creations. The exhibit featured a wide variety of projects which included ceramics, pottery, sculpture, and painting. The potter's wheel was also demonstrated by a member of the Art Club. All exhibits were created under the direction of Brother Chapman of the Art Department by members of the Art Club and several Art classes.

Sawdust Dances

This year, a large number of Ricemen socialized and enjoyed the music at the Sawdust Dances. The Dance Committee, under the direction of Brother Heustis, and the Dad's Club are responsible for the great success enjoyed by the Sawdust Dance program. The strong support of these dances allowed the Dance Committee to engage many nationally and locally prominent rock bands, including, the TW4, the Extreme End, Trip's Company, Opposition, Brothers of Peace, and the Ivory Tower.

Grub Day

In an effort to raise the necessary funds for the C.A.L.M. program, the Student Council initiated the first "Grub Day." By purchasing a ticket, a student was allowed to disregard the dress code for that day. The support of this effort by the student body and faculty is indicative of their concern for the social condition.

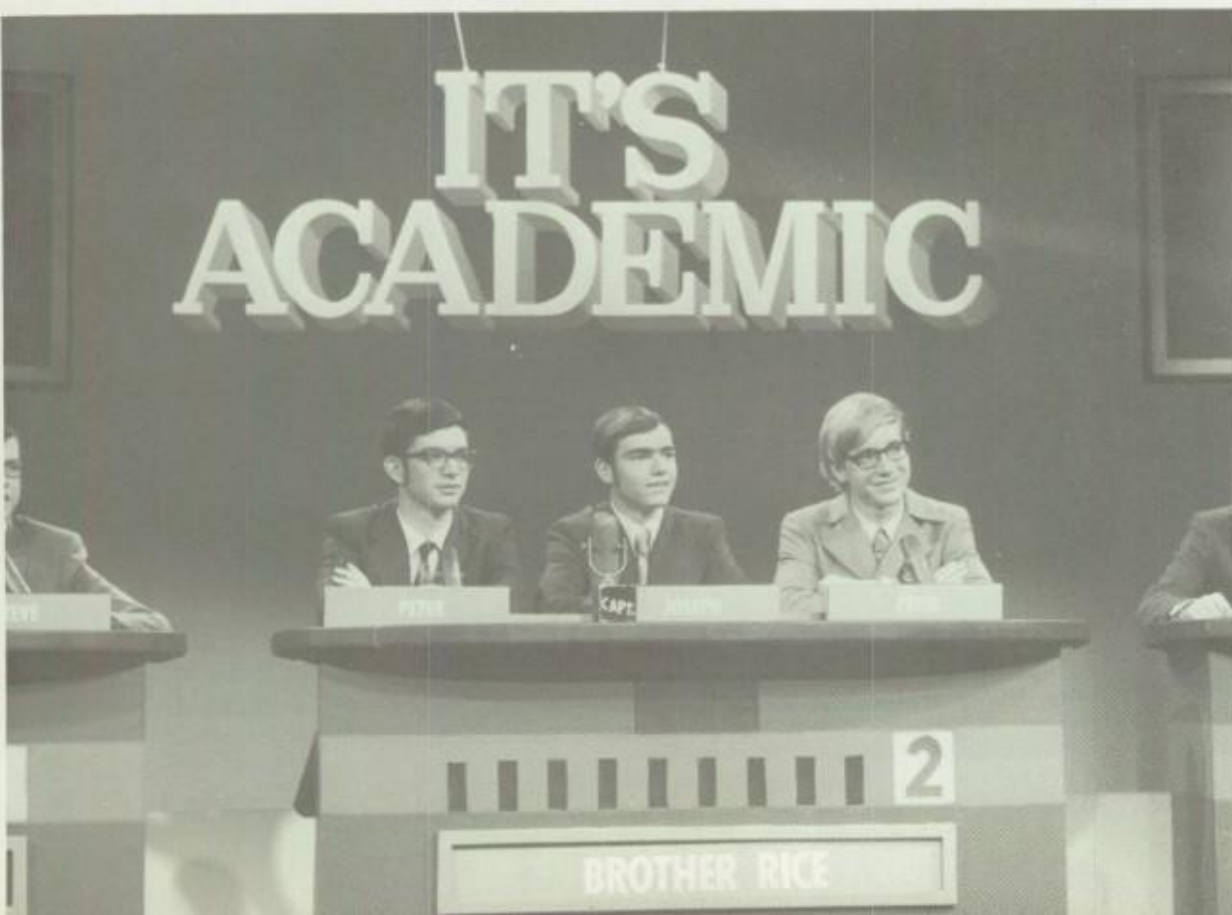

Coffeehouses

The rapport among the students and faculty is an important asset of BRHS. The Senior class initiated a program, the Coffeehouses, which allowed the Seniors and faculty members to get to know each other better. A committee of Seniors with the cooperation of B. Marque are responsible for the success of the Coffeehouses.

J. C. Superstar

The rock opera, Jesus Christ, Superstar was pantomimed by a group of seniors and several girls under the direction of Mr. Berry.

It's Academic

This year, Brother Rice was invited to the semi-final round of NBC Television's "It's Academic." Captain, Joe Brosnan led the team to a second place finish. The other members of the panel were Pete Brown, Pete Beata, Brian Reynolds.

George M!

The Brother Rice Player's production of the hit musical, *George M!*, was a smashing success. Large audiences attended each performance as the life of George M. Cohan was dramatically portrayed on the stage. The vivacious personality of "little Georgie" charmed the audience with gentle humor while concurrently evoking the sympathy of all.

The success of *George M!* must be credited to Brother Shannon who expertly directed and produced the entire musical. Brother Shannon was assisted by Mrs. Thomas Mitchell who directed the choreography and Mr. John O'Brien who conducted the band and the chorus. The scenery and scene projections were designed by Brother Chapman.

130

This year, one fourth of the Senior Class received Illinois State Scholarships. A number of these scholars received honorary Certificates of Merit while others received monetary awards to the Illinois college of their choice. This large number of scholars affirms the fine academic standards maintained at Brother Rice. Once again, these men are to be commended for their fine academic performance.

Southwest Walk for Hunger

Brother Rice students played a leading role in the Southwest Walk for Hunger. Seniors Dave Urbaniak and Chris Lynch coordinated the Southwest Walk, one of the four held around the city and suburbs. Other students, faculty members, and Dads' Club members distributed food, refreshments, medical supplies, and supervised the Brother Rice Checkpoint. Hundreds of Brother Rice students were among the estimated 20,000 people who walked all or part of the thirty-mile course.

The Walk for Hunger was organized by the American Freedom from Hunger Foundation who will distribute the pledged funds among the Lesothan Rural Reconstruction Program, a medical project called Medico, and two domestic projects, the Cook County Self-Help program and the Christian Appalachian Project.

Parent Education

Parents are responsible for the moral, psychological, religious, and temporal development of their children. The purpose of the Brother Rice-Mother McAuley Parent Education Program is to inform parents about the latest developments in Theology, the Church, and Religious Education so that each parent can better fulfill his commitment to himself and to his children. Each session was held in the Brother Rice Library and the topics ranged from "Faith, Teenagers, and Parents" to "Is the Liturgy Alive Today?" Sister Lauren and Brother Marque coordinated the eight-part program which included several guest speakers.

Senior Prom

The Twelfth Annual Brother Rice Senior Prom proved to be a most memorable occasion for the Senior Class. The Ferrara Manor provided an elegant and sophisticated atmosphere for an evening of dancing and socializing to the music of the Leo Henning-Lou Breese Orchestra and the TW4.

The enchanting Miss Gwen Schmidt, escorted by Paul Meany, was the Queen of the Prom with a court consisting of Julie Koczur, escorted by Jack Lewandowski and Kim Spoon, escorted by Bob Riddle. Afterwards, everyone dined in gracious elegance to soft dinner music.

As the young couples departed at an early hour of the morning, they regretted that the evening had come to close so soon. Many made final plans for their picnics and parties on Saturday. All of the young men and their dates will remember this night for some time to come. The success of the Prom must be credited to the devoted efforts of Brother May and the Prom Committee.

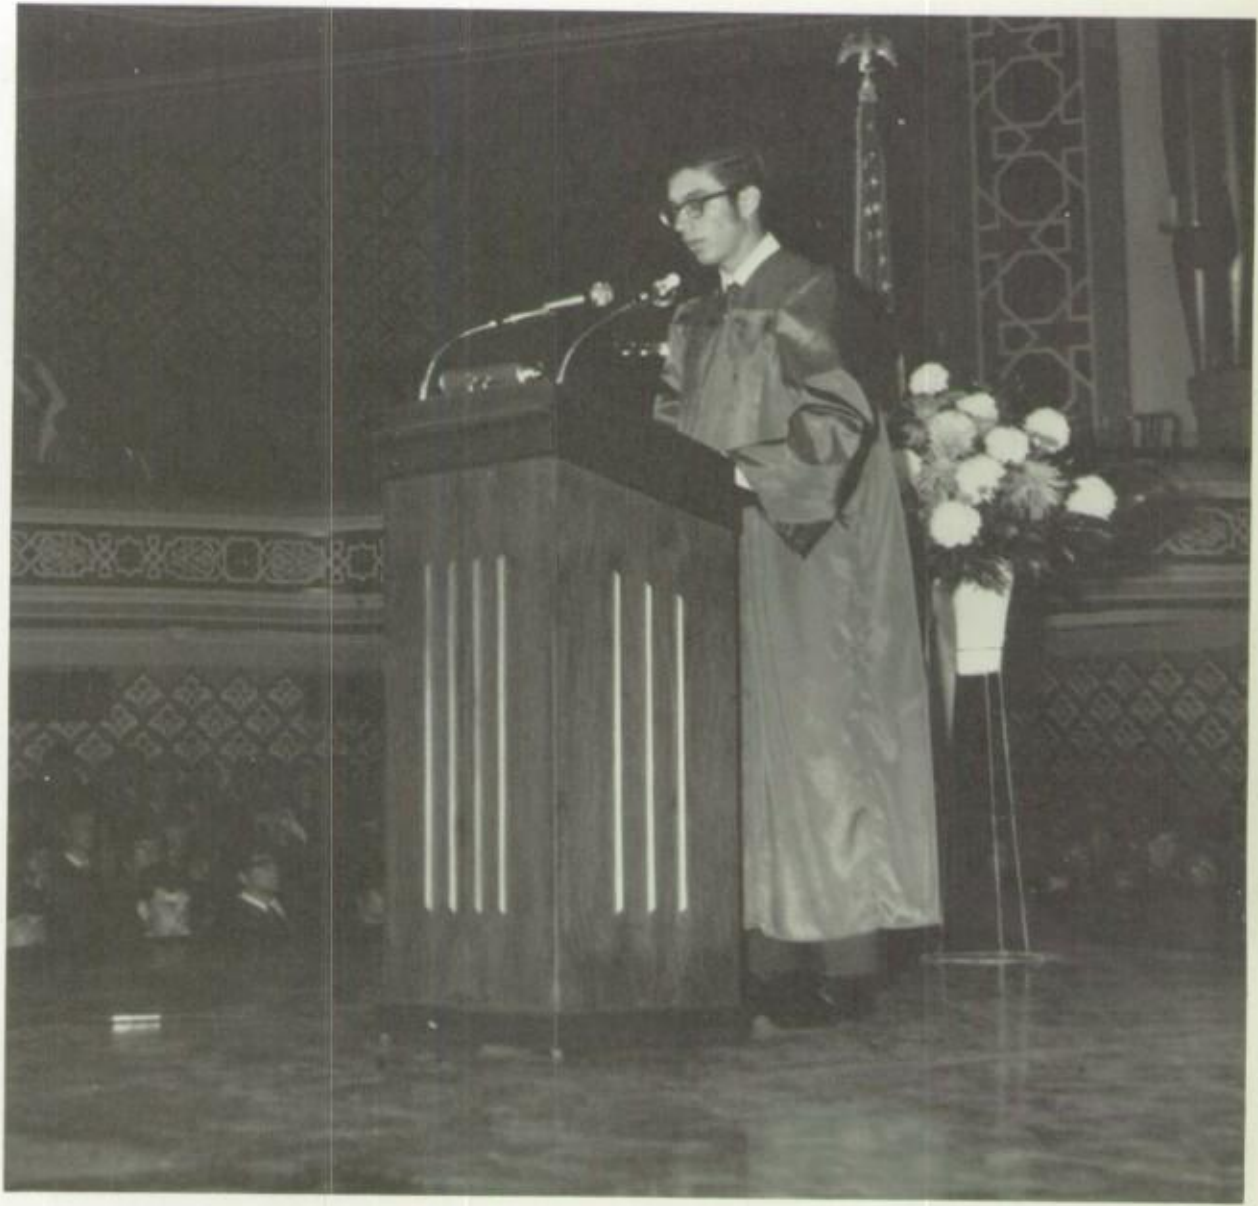

Commencement Exercises 1971

Graduation is a very important milestone of a young adult's career. Symbolically, it marks a youth's entrance into a new life style that is characterized by self-determination and responsibility. By example, method, and theory, Brother Rice High School has graduated, not produced, several hundred young individuals who have accepted their Christian Commitments as peacemakers, teachers, social workers, and students.

The Twelfth Annual Commencement Exercises were traditionally opened by the Baccalaureate Mass celebrated at the Queen of Martyrs Church. Father Cahill, Father McDonough, and Father Gallagher concelebrated a most meaningful liturgy in which the entire congregation of graduates and parents participated. Brother May organized the liturgy in cooperation with a Senior committee headed by Bob Pasciak including Mike McCormick, Gene Carranza, Tom Diggins, and Joe Brosnan. The Baccalaureate Liturgy was followed by a buffet supper in honor of the Class of 1971.

The entire class assembled at Medinah Temple on Sunday, May 30, for the distribution of diplomas. Peter Beata, our salutatorian, congratulated the class at this triumphant moment. While the diplomas were being distributed by Brother Hueller and Brother May, Mr. Cassidy announced each graduate. Brother Hueller briefly reminded us of our past success and of the promises of the future. The valedictory, delivered by John Rusin, closed the ceremonies that were presided over by Bishop Alfred L. Abramowicz. This class of 515 students collected over 250 college scholarships. Sixteen graduates received special Senior awards for their scholastic, athletic, and social achievements during the past four years, and 106 graduated with honors.

As the young men left the auditorium, they exuberantly congratulated each other, each going in a different direction; all beginning a new stage of development, but each, somehow regretting to leave his school and friends behind.

*" . . . i am a part of all that i have met;
 yet all experience is an arch where thro'
 gleams that untraveled world, whose margin fades
 forever and forever when i move.
 how dull it is to pause, to make an end,
 to rust unburnished, not to shine in use!
 . . . come my friends,
 'tis not too late to seek a newer world . . . "*
